DAILY LIFE EASIER

Quavikey

ABOUT US

Quavikey was established in 2007. It is an independent innovation enterprise that specializes in the production of bathroom furniture products, integrating R&D, design, production, sales and service. With the innovative design philosophy and the highest quality, the company continues to grow and thrive. The current product line covers Home & Kitchen. The main products include bathroom mirrors and bathroom mirror cabinets.

Quavikey is also an online retailer with a vibrant ecommerce site. With us you order directly from the manufacturer and save yourself the cost-intensive intermediate trade. We offer our customers high quality at fair prices. Since we manufacture all mirrors ourselves in our production facility, we can individually and professionally respond to the wishes of our customers. We can also offer for business customers - an optimized workflow allows us to produce exclusive mirror products of various types, in series.

CONTENTS

Your mirror is a valued element in your home. Consciously and unconsciously you will see it every day. So, choose a nice mirror. It is a part of your interior and contributes to creating the atmosphere which makes you feel at home. Over the following pages we showcase our ranges that have been carefully designed to enhance your space and style.

FEATURES

TOUCH SENSOR SWITCH

Touch sensor switch with dimmable function to activate lights

IR SENSOR SWITCH

Simply wave your hand over the sensor to turn the light on and off

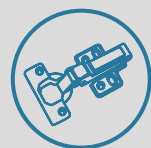

LED ILLUMINATION

The illuminated LED bathroom emits bright light for use with less energy.

ADJUSTABLE COLOR TEMPERATURE LED ILLUMINATION

Simply long press the sensor to alter the lighting temperatures from Warm Light(2700K) to White Light(6500K).

SOFT CLOSE HINGES

The soft close mechanism closes cabinet doors gently and quietly, and effectively reduce noise and protect the cabinet structure.

AMBIENT BOTTOM LIGHTING

Which is located bottom or inside the cabinet and perfectly extends the illuminated range.

BATHROOM CHARGING SOCKET

Independent dual shaver socket with isolator transformer located inside cabinet to power or charge shavers, trimmers and toothbrushes.

DEMISTER PADS

Which is perfectly concealed beneath the reverse side mirror of the front door. Rapidly heating up and effectively demisting mirror surface.

BLAST-RESISTAN FILM COVERED

Explosion-proof for safer use

MAKEUP MIRROR

Make your life more refined

IP44 RATED

Electrically safe for use in the bathroom
