HOW IT WORKS

The following steps outline our package options and pricing structure for reserving Miss Blue for your next event.

1

TRUCK RENTAL FEE

Our standard truck rental and event display rate for 'Miss Blue' is \$200 for 2 hours. One of our talented floral designers will also be on-site to help guests with their bouquets, stem prep, and wrapping. Additional hours can be reserved for \$75/hour. Mileage is included in the rental if within a 15-mile radius of downtown Springboro. Outside of that parameter is \$2/mile.

SELECT YOUR BLOOMS

Beautiful fresh-cut stems that represent the season will be provided for your guests to hand-pick and build their very own bouquet to take home and enjoy. Consult with your designer on a specific color palette or florals you may want to include for your special day.

Standard Seasonal Blooms

Examples may include mums, daisies, carnations, standard roses, stock,, gerber daisies, sunflowers and traditional greens.

Premium Seasonal Blooms

These are flowers that cost more per stem than our standard level and will bring the best the season has to offer. Examples may include dahlias, garden roses, ranunculus, anemones, tropicals and premium greens.

3

PICK YOUR BOUQUET SIZE

Petite - This package includes 6-8 stems per guest

Deluxe - This package includes 10-12 stems per guest

Grande - This package includes 14-16 stems per guest

Bouquet Size	Standard Blooms	Premium Blooms
Petite	\$25/person	\$35/person
Deluxe	\$30/person	\$45/person
Grande	\$40/person	\$55/person

4

COUNT YOUR GUESTS

The price depends on how many guests you're expecting. We do ask for a minimum of 12 people to book the truck for your event. And no stress, but we'll need to know your final headcount at least a week before the big day so we can have enough blooms.

5

ADD THE 'EXTRAS'

Want even more? Here are a few Additional Offerings for your special day.

Floral Design Workshop

We'll bring one of our talented floral designers to provide an on-site floral design session for your guests. Using the stems selected from the truck, guests will enjoy learning the basics of floral design to create their very own floral arrangement. Sessions are 1 hour.

Vases

Guests can bring their own vases for the workshop. Or, we can provide them for you. We offer a standard 4x4 glass vase for each of your guests. Custom vases can also be provided upon request.
