PROSHOP RESALE PROGRAM

TAS 2024 RESALE PROGRAM

The 2024 TAS Resale program is here, and we're thrilled to introduce the latest addition to our lineup: our new TAS goggles! These goggles provide excellent quality and performance, designed to meet the evolving needs of swimmers and aquatic facilities. We understand that every swimmer is unique, so our new goggles come in various styles and fit to accommodate different preferences and face shapes. From fun and funky styles for young swimmers just starting to sleek to wider, more comfortable options for leisurely laps or low-profile designs for competition/training-oriented swimmers, there's something for everyone in the 2024 resale program.

As always, our team is here to support you every step of the way. If you have any questions about the resale program, goggles, or other products in our range, please don't hesitate to reach out. Contact us at the location nearest you for details.

Thank you for your continued support of Team Aquatic Supplies Ltd. We can't wait to dive into this new era of swimming excellence with you!

Greg Sanderson, *General Manager*
Team Aquatic Supplies Ltd.

GENERATE REVENUE FOR YOUR FACILITY

Selling aquatic merchandise like goggles, caps, and accessories works for both you and your customers. People who forget their goggles etc., are happy you have them, and you're happy to generate extra revenue. There is a healthy profit margin through the TAS Resale Program.
