## TEAM AQUATIC SUPPLIES PART TIME RETAIL ASSOCIATES

### WHY TAS?

We offer an inclusive and welcoming work environment with a versatile team made up of passionate, knowledgeable, and friendly staff who live & breath aquatics.

### FLEXIBILITY

At our stores, we offer an easy-going schedule with or without fixed hours. So, no matter your availability, we'll work with you to create a schedule that fits you, covers our needs and still provides our customers with the service they deserve.

### PAY & BENEFITS

Our staff benefit from a generous discount on all merchandise, invitations to special events and gifts as well as annual bonuses. Wages will be paid on an hourly basis determined by individual experience and will have the opportunity for increases after a 6-month performance review.

### YOUR ROLE AS A SWIM EXPERT

Our staff are very proactive and hands on. You will be helping customers with sizing their swimsuits, training equipment and goggles right down to the Nitti-gritty detail. So, whether you're shy or outgoing, this will be a great place for you to break out of your comfort zone by way of honing your existing experiences and knowledge while building up your customer service skills and sales tactics.

### YOUR EXPERIENCE

#### AVAILABILITY

We're looking for retail sales associates who can commit to working on a part-time basis starting immediately and who will be able to continue working throughout the fall, into the new year. Our ideal staff will be working full days every Saturday as well as some weekday mornings or afternoons. Minimum 8-16hrs/week guaranteed, more hours are negotiable for the right person.

#### AQUATICS REQUIREMENTS

As our shop specializes in competitive swim gear and high-performance products, we are looking for applicants who have experience in the aquatics industries and are passionate about life in or around water. Lifeguards, active or retired athletes, coaches and water fitness instructors are some examples of the types of people we have on our team. If this is you, you'll fit in very well here!

Please email your resume with a cover letter to [info@team-aquatic.com](mailto:info@team-aquatic.com) with "Job Application" and Store Location in subject line. Please *also* stop in to introduce yourself so we can put a face to the name!
