

78-201

Schlage C Keyway Compatible Cylinders

GENERAL SPECIFICATIONS

Cylinder: Solid brass, drilled for 6 pins

Finish: US26D or US4 finish

Keyway: Schlage C

Keying: Specify keying at time of order

Use: Works with Olympus less cylinder (for Schlage standard cylinder) cabinet locks

Universal driver: Position of the 10-360 universal driver in the back of the cylinder is dependent on the specific lock the cylinder will be used in. Please see ordering information below.

Cylinder includes: 2 operating keys and 10-360 universal driver

ORDERING

Orientation of universal driver (p/n 10-360) in back of cylinder is based on the Olympus item the cylinder will be used with. See the For use with section of the chart opposite for ordering information and cylinder part-numbers.
