T54C

Function: Replacement cylinder kit

Works with. CompX/National original cylinder for C8154 or C8155 pin tumbler t-knob locks for metal cabinet doors

Usage: Allows you to replace the cylinder only and not the entire T-Knob.

The new T54C T-Knob Cylinder Replacement Kit from Olympus Lock replaces original CompX/National T-knob pin tumbler cylinders. You no longer need to replace the entire t-knob lock, just replace the non-functional cylinder. Our cylinder is all brass construction for increased durability. This is a 5-pin cylinder and can be keyed to match your existing 4-pin or 5-pin systems.

WARNING: This product can expose you to chemicals including chromium, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
