

Enjoy Uninterrupted

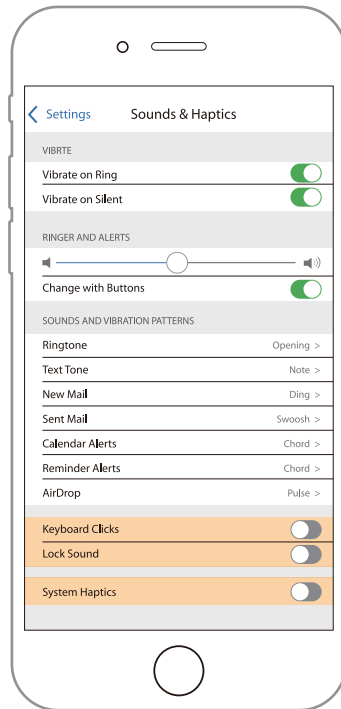

BHearing

To Allow you to hear continuously without any interruption in sound amplification, we suggest you to disable some sounds on your mobile phone:

Jabees[®]
Love Life Love Music

For iOS Users

- Settings > Sounds & Haptics
- Disable '**Keyboard Clicks / Lock Sound / System Haptics**' as below:

For Android Users

- Settings > SOUNDS AND VIBRATION
- Disable '**Touch sounds / Vibration feedback / Keyboard sound**' as below:
