DETAILS:

All package lessons are to be scheduled for the entire package before the first lesson.

Non-package lessons must be scheduled and paid for the calendar month before the month starts (e.g. schedule all lessons in February at the last lesson in January).

A consistent time and day is encouraged for all lessons (i.e. Fridays at 2pm. Schedule a different time when the "normal time" doesn't work for the week.)

Two-person and three-person lessons available for an additional charge.

A lesson over the internet (Google Meet, FaceTime, Skype, Zoom) can be initiated by either party for a variety of circumstances including out-of-town travel, more availability for a make-up lesson, if someone is sick/contagious, weather conditions, and transportation issues.

Cancellations by the student: Within 48 hours of the lesson, the lesson will be forfeit. Before 48 hours, the teacher and student may find an agreeable alternate time to meet; in person or over the internet.
