## SHIPPING INFORMATION

With the rise in operational costs over the last two years, we have implemented a minimum order threshold of \$75.00. Any order below \$75.00 will incur a \$25.00 processing fee.

- Orders are entered into our fulfillment system upon receipt.
- Orders confirmed by 2 pm ET will then ship the same day.
- Add-ons are handled as a separate order; freight charges will apply per order.
- Keyed orders and displays are excluded from same day shipping.
- A \$7.50 drop ship fee will be added per ship direct order. Due to global freight price increases, we have revised our 2022 Shipping Fees. Both individually-labeled parcel shipping and the larger Less-than-Truckload (LTL) pallet shipping will be affected.
- Prepaid freight is included on orders totaling more than \$1,500.00 (this excludes barn door hardware). Whether a shipment is sent small parcel or LTL, if that order meets or exceeds \$1,500.00, the order is shipped prepaid, regardless of weight.
