

5 Year Furniture Protection Plan

Why consider a furniture protection plan?

1. It covers life's little accidents, such as food or drink spills and accidental damage.
2. When accidents happen, we have a team of trained experts ready to repair damage and remove stains.
3. Wherever possible, our network of expert repair technicians and stain removal specialists always try to repair the damage. If a repair isn't possible, we would look to replace the furniture for you. If this is not available, we would invite you to reselect a new item of furniture.
4. Claim for as many incidents as you need over 5 years. You'll have cover for parts, labour and replacement items up to the indemnity value of your plan. To make a claim, simply visit the Emmiera website: <https://www.myfurnitureinsurance.co.uk> and fill in your policy details, or call the UK call centre on 01384 473017.
