

**Your clue is
warm and cosy
In a place where
you lay your
head. It's all
tucked up and
sleepy. The
question is -
which ...?**

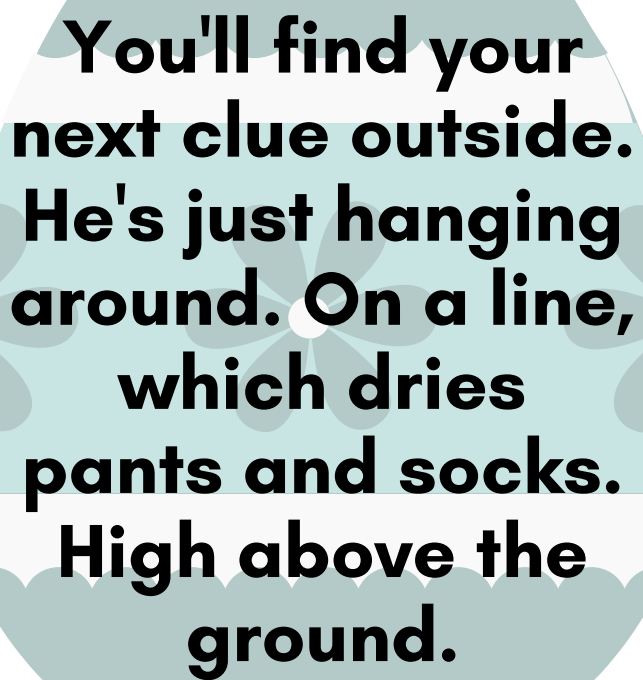

**The next clue's
in a spin. In a
machine that
goes round and
round. Among
the dirty socks
and towels. He's
waiting to be
found.**

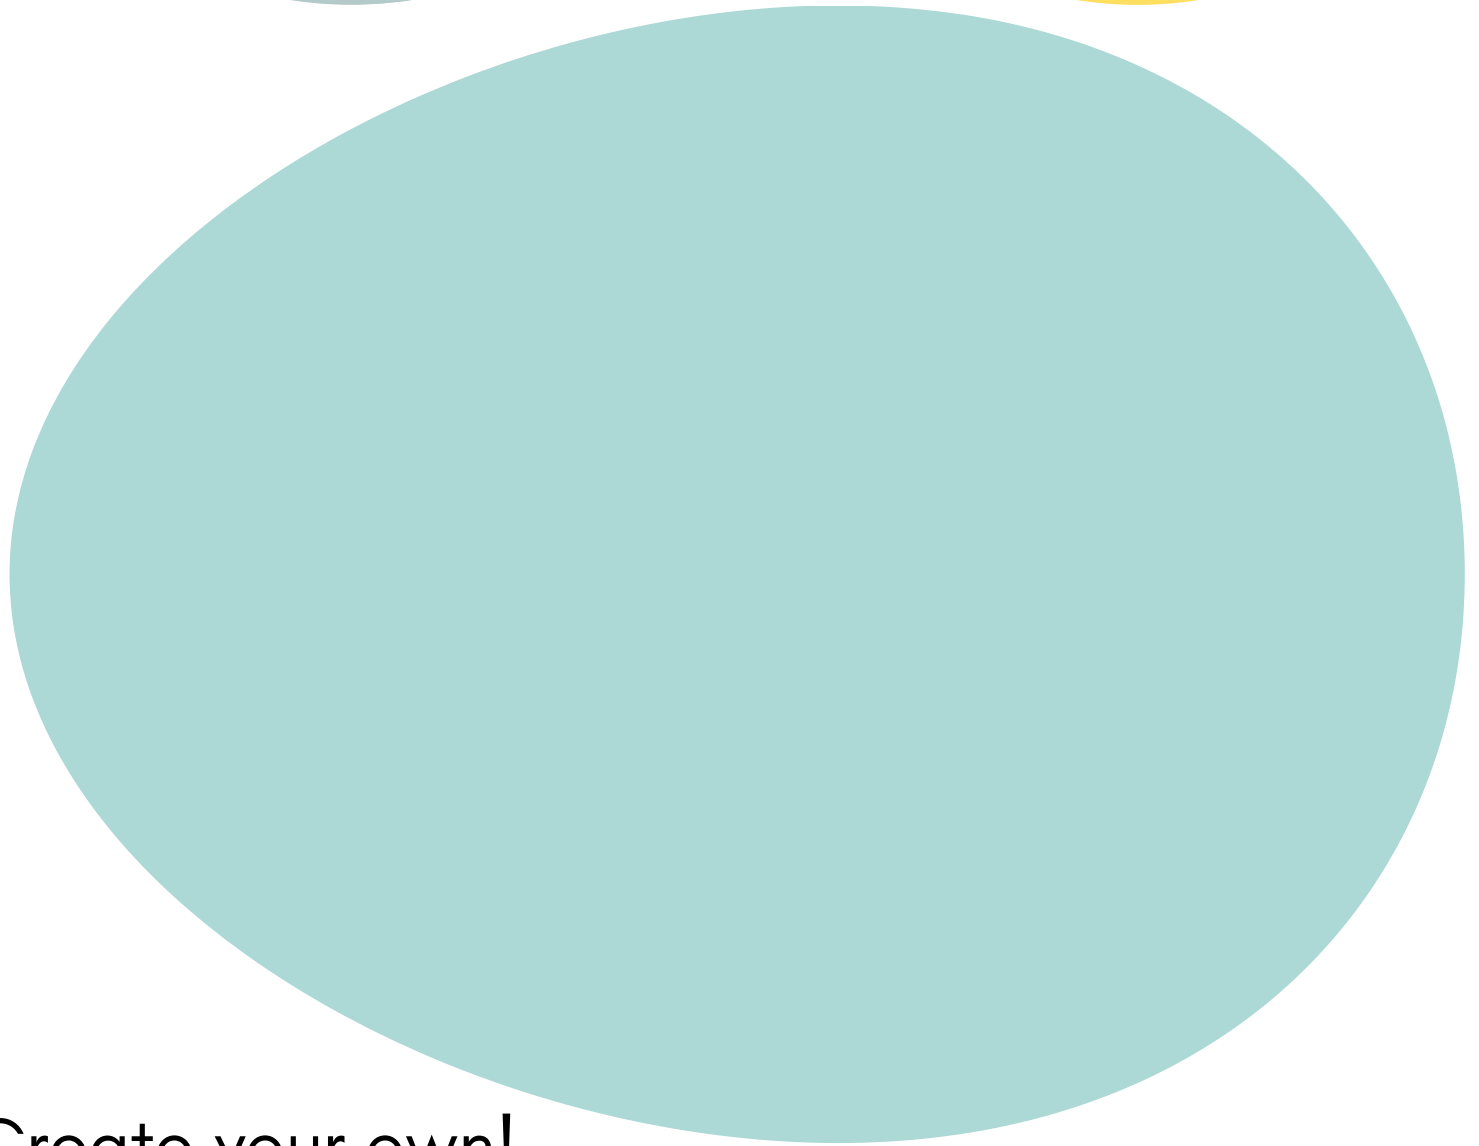

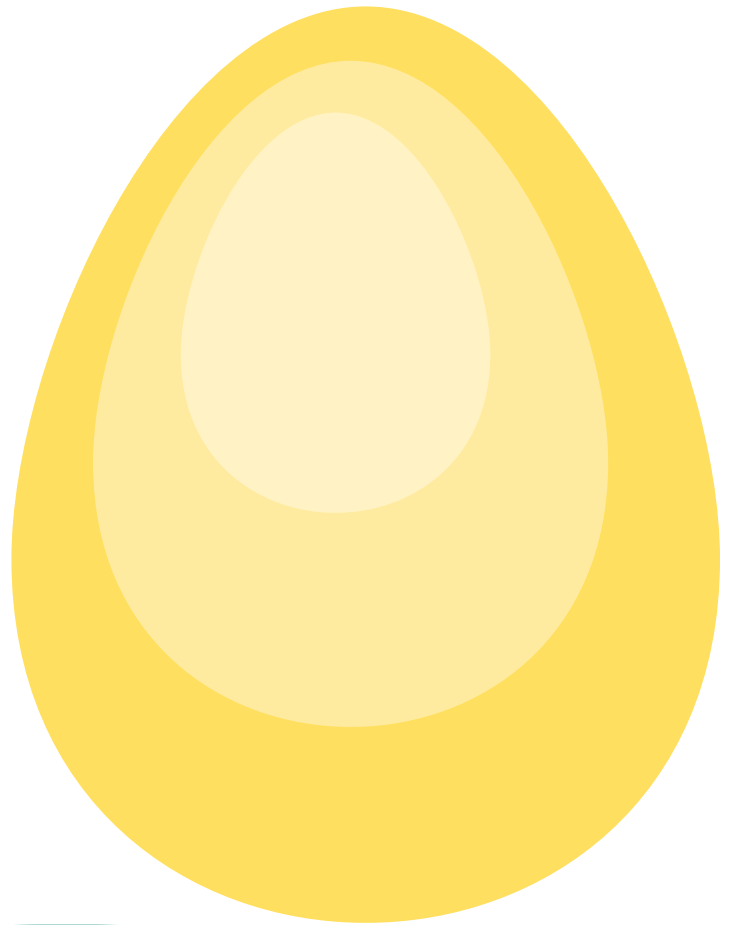

**The next clues
very chilly. He
hopes you'll find
him with ease.
He's behind
closed doors.
Near fish fingers
and frozen peas!**

**You'll need to
put your shoes
on. But you don't
need to go far.
Look for
something
zoomy. It's
hidden in the
...?**

**You'll find your
next clue outside.
He's just hanging
around. On a line,
which dries
pants and socks.
High above the
ground.**
