

MEASURING GUIDE

LET'S MAKE THIS EASY

MODERN SHELVING GUIDE

Start with a wall with lots of potential and measure it for shelves.

OPTION 1: TAPE MEASURE

Use a traditional tape measure or a fabric measuring tape to measure the height, width and depth.*

Please Specify Inches. *if applicable

Ceiling Height (in inches) _____

Wall Width (in inches) _____

Space Depth* (in inches) _____

OPTION 2: MOBILE APPS

If you are tech savvy, use a tool such as our favorite augmented reality measuring app such as [this](#)

[amazing one](#). Please Specify Inches.

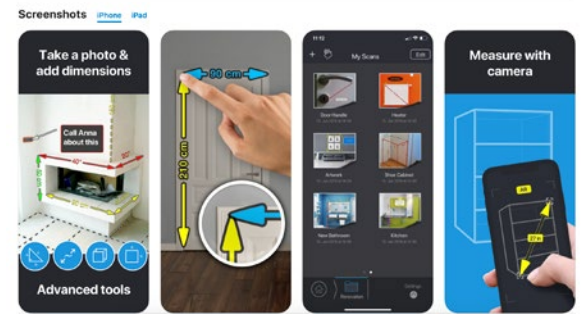

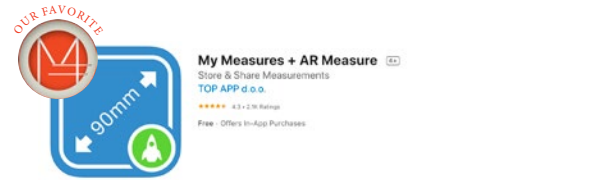

Feel free to explore the many other amazing measuring apps out there as your phone provides.

Please Specify Inches. *if applicable

Ceiling Height (in inches) _____

Wall Width (in inches) _____

Space Depth* (in inches) _____
