# Hable

At Fable, we create sustainably crafted, timeless tableware that elevates the experience of dining at home. Through simple, elevated, and responsible designs, we craft pieces that bring joy to the everyday.

Whether you're helping customers upgrade their home or outfit their table for an upcoming dinner party, Fable adds the perfect finishing touches. When you join our exclusive Wholesale Program, we'll work with you to become a meaningful part of your business.

## **Inside Access**

Get early access to new product launches, be first to hear about promotions and events, and get access to our fully-stocked inventory specially tailored to Wholesale Program members.

# **Exceptional Quality**

We only work with makers whose commitment to high quality materials and excellent craftsmanship aligns with our own. By choosing Fable, your clients experience long-lasting goods crafted with care.

# **Curated Experience**

We're here to make your life easy. Think of us as your dedicated concierge for assistance with our products, no matter how unique your needs may be. From quote to delivery, we'll help work out every last detail.

# Ceramics

Our ceramics are sustainably crafted in Portugal at a zero-waste facility where all excess clay clippings, broken plates, and water used during production are reused or recycled.

7 COLORS AVAILABLE

#### SUSTAINABLE PRACTICES

- · Certified by SMETA (Sedex Members **Ethical Trade Audit)**
- Produced in a 100% zero-waste facility
- Crafted with non-toxic materials
- Certified by SGS for ISO 9001 (Quality) Standards
- 100% of water is recovered and treated for re-use
- 100% of clay shavings and biscuit are reincorporated
- 100% of broken glazed ceramics are recycled into concrete
- · During the day, our ceramics facility is 100% solar powered

- · Dishwasher, microwave, and oven safe up to 450°F
- · All semi-matte ceramics are susceptible to superficial marks from your cutlery. They can be easily taken off with a polish like Bar Keeper's Friend and our Tawashi Brush

# Wood Collection

The Wood Collection is sustainably produced from FSC-certified European ash wood at a family-owned facility in northern Italy dating back to 1937.

#### SUSTAINABLE PRACTICES

- Forest Stewardship Council® (FSC) certified wood
- Certified by EU Timber Regulation (EUTR 995)
- Certified by REACH (EC 1907/2006)
- Sawdust and wood waste is repurposed as fuel and distributed to the livestock sector.
- Wood waste from large products is repurposed to create smaller objects.

- To preserve the longevity of your wood pieces, wipe clean with warm water and a soft sponge, then dry thoroughly with a cloth. We don't recommend placing them in the dishwasher, or soaking or submerging them in water.
- The Serving Boards are not intended for use as cutting boards. Note that sharp knives may damage their surfaces.

#### The Coasters

MSRP CAD \$65 | USD \$55 | GBP £49 | EUR €59
