1

Connect all 3 Base Bars together.  
Note: The Center Base Bar goes in the middle.

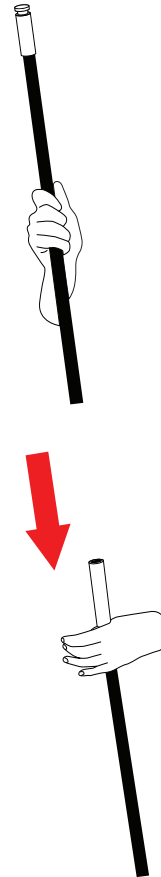

2

Connect Base Bar assembly to one Base Leg. Repeat on opposite side.

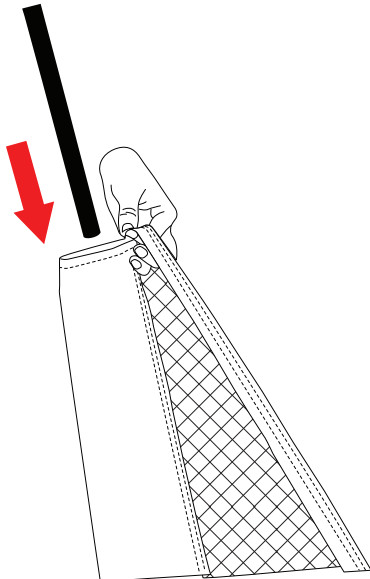

3

Insert one Upper Pole into a Lower Pole.

4

Slip Upper and Lower Pole assembly through Net sleeve.

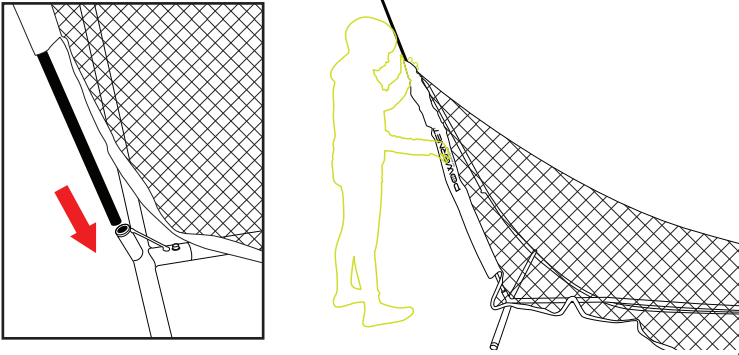

## ⚠ WARNING

- Read all instructions before using.
- Poles are under tension. Use caution during assembly and disassembly. Failure to do so may result in injury.
- Use caution around sliding / moving parts to avoid pinching.
- After training, store your equipment. Do not leave outdoors.

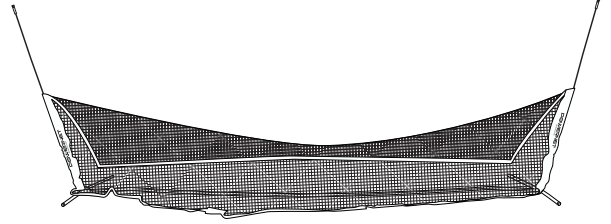

5

Insert Pole Assembly into the frame post holder. Repeat steps 3-5 on opposite side.

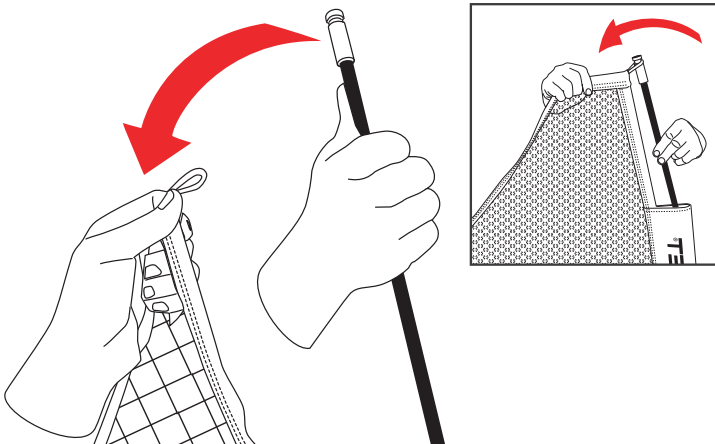

5a

This is currently how the Net should look.

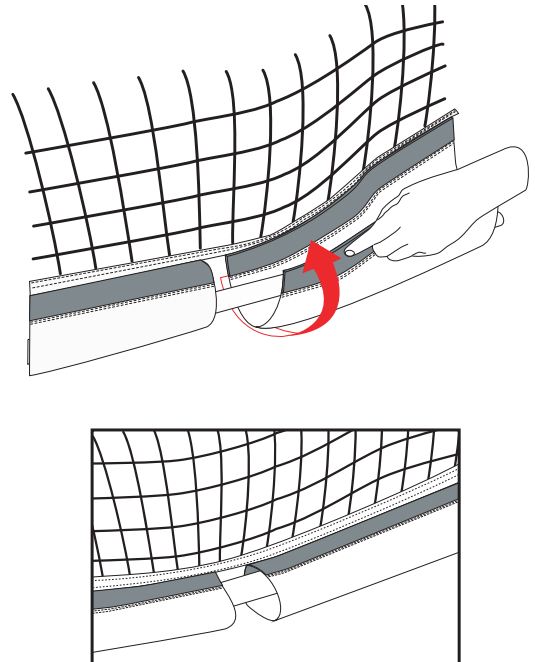

6

Attach white loop at top of Net to silver notch located on the Upper Pole. **NOTE: Bend the Upper Pole inward to make this step easier.** Repeat on opposite side.

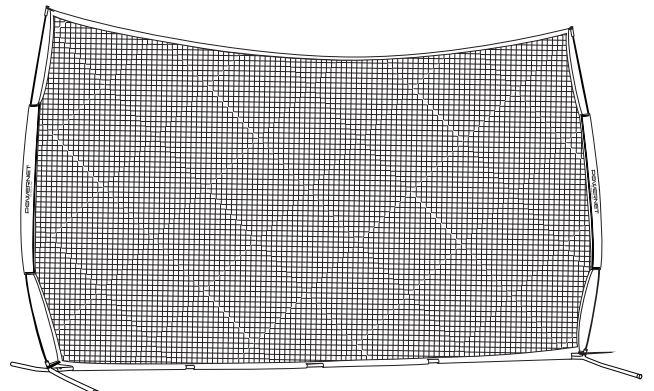

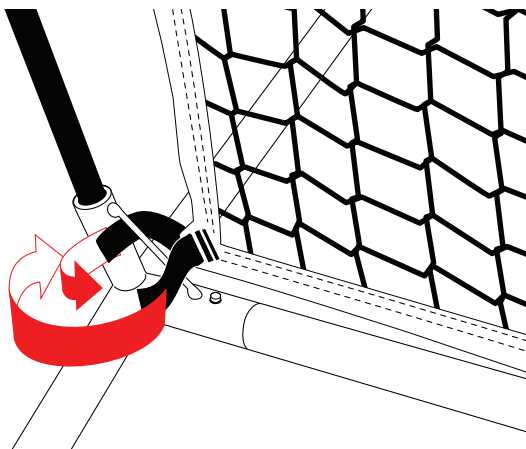

7

Attach red securing flaps on bottom of the Net around the frame base.

8

Attach black securing straps located at the bottom corners of the Net to each Base Leg.

## OUR VISION

Building confidence through sports is a far-reaching achievement that takes time and repetition.

Winners aren't built overnight. Individuals who challenge themselves to excel in sports walk away with something even greater than the game; pride, confidence and self-respect. This places them in a position to experience sustained success in all areas. Our driving force is to get PowerNet gear in the hands of the player. We trust in the process of training and hard work as we know it leads to success on and off the field. Our hope is to play a role in building winners in sports and in life.
