## Parts List:

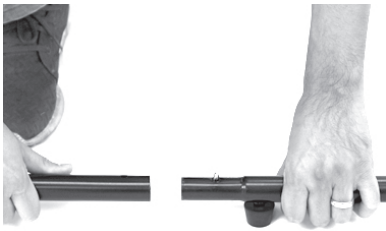

- (2) SIDE BASE LEGS
- (3) MALE/FEMALE BARS (M/F)
- (1) MALE/MALE BAR w/ RUBBER FOOT (M/M)
- (2) FIBERGLASS POLES
- (1) NET

1. To build the base, attach one M/F bar to any side base leg.

2. To this, attach a second M/F bar.

3. To this, attach the M/M rubber foot bar.

4. To this, attach the last M/F bar.

5. Now, feed the bottom net sleeve over the bars.

6. To complete the base, attach end of M/F bar to second base leg.

7. Feed one fiberglass pole through net sleeve and into side base leg post. Repeat on other side.

8. Finally, connect white loops on net to silver notch on fiberglass pole for both sides.
