NEW GLASS JARS RETURNS POLICY

Hey there! If you're reading this, you're probably one of those awesome Nourish'd customers who regularly brings back the jars. So first of all, **THANK YOU!**

As you may have realised, the team at Nourish'd try our absolute best to run a **zero-waste, eco-friendly** enterprise.

We refuse to compromise on the quality of our ingredients, or sustainability of our packaging, which means we've gotta pay the price for local organic produce and glass jars.

Our old system of giving away a R10 voucher for each jar returned was **becoming economically unsustainable** for us.

So, we've come up with a new system:

OPTION 1: Redeem Discount Immediately

Return one or more jars to either store and receive an immediate discount of **R10** per jar on any of our products.

OPTION 2: Take-Home Loyalty Card

If you don't want to redeem your discount immediately you will be given a juice/smoothie jar loyalty card and one stamp. Once you have received **8 stamps** you can exchange the card for one **free juice or smoothie** of your choice to the value of R80.

JUICE CLEANSSES: Option 2 Only

Option 1 is not available for our juice-cleanse clients, however Option 2 is. Please return your cleanse bottles to receive your loyalty card in return.

Love, Nourish'd x

thank you for saving our beautiful planet
