Heavy Duty Clamps

JLT Clamp arms are built to last. With minimal maintenance and strong steel construction, these clamps can last a lifetime.

Easily Adjust and Hang

Mounting Plates on the back of the clamps allow for quick and easy attaching of the clamps onto the clamp rack. Easily slide the clamps left to right to create a desired setup.

Rocker Plate Adapters

JLT Rocker Plate Adapters are great for face gluing thick stock material (up to 6" thick). Easily add or remove the plates when deemed necessary.
