

# NEW!! Suction & Transport Hose

**IN STOCK  
NOW**

Light/Medium Weight

## Materials of Construction

- **Hose Wall:** 100% Pure Polyester
- **Polyurethane (PU):** 30% more abrasion-resistant than polyether PU
- **Spiral:** Blue PU-coated spring steel wire

The **BLUE** advantage!  
The only hose you will ever need!

## Applications

- Suction and transport hose
- For abrasive materials
- Gaseous and liquid media
- Suction of paper and textile
- Fibers
- Transport of small particle dusts and powders
- Oil-spray extraction
- Woodworking machines
- Exhaust equipment in wood-working industries

#	Dia	Description
