

XANADU

art catalogue

“Art is the elimination of the unnecessary.” – Pablo Picasso

As we welcome a new year, we're delighted to share our January/February Art Catalogue with you. In its pages you will discover new art by artists we show in our Scottsdale gallery, as well as work by amazing artists from around the world.

Enjoy each work of art. When you encounter the art that makes you stop turning the pages, art that you can't get out of your mind, call, email, or visit our website. It will be our pleasure to help you make those pieces your own.
