

ELMORUSTICAL VIII

DE LA ESPADA

An aniline leather from Scandinavian cattle, Elmorustical is soft and natural, offering outstanding comfort. This full grain leather maintains the distinct features of the natural hide, lending each piece individuality and character.

Please note that when using Elmorustical to upholster expansive surfaces such as the headboard of a bed, our craftspeople will use their discretion to ensure the natural variations in the colour and grain are most elegantly displayed. This may mean adding a stitch line to the surface.
