

SWARM

This textile has an interesting, multi-coloured surface which is very soft though it has the thick quality of wool. Its delicately textured surface makes it well suited for warmer countries, who might nonetheless want a textile with some heft and weight.

MATERIALS

COMPOSITION / 31% Acrylic, 17% Cotton,
8% Linen, 36% Polyester, 8% Viscose

DURABILITY / 28.000 Martindale
