White, NCS S 0500-N, gloss 20. Hook rail: fine textured, aluminium. RAL 9016.

Style is nothing without a world to be stylish in. That's why Relief is made in Swedish factories using 100% renewable energy. And why it arrives flat-packed, taking up a fifth of its assembled space to lower transport emissions. Something even the humblest sock would be proud to be part of.

Grey, NCS S7502-G, gloss 20. Hook rail: fine textured, aluminium. RAL 7043.
