Dear Nutshell Pram Builders.

Please note that the plywood recommended for building your Nutshell pram is SNBCC, Bruynzeel, or equivalent-grade marine plywood: The Harbor Sales Company, (1-800-345-1712) will supply scarfed lengths (necessary for the 9'6" pram) or half-sheets.

The Harbor Sales Company, Inc. 1404 Russell St.
Baltimore, MD 21230

## Plywood needed for 7'7" pram:

One 4x8 sheet of 3/8" (9mm) mahogany plywood for bottom, rudder blade, and daggerboard trunk sides.

One and one-half sheets of 4x8 plywood: 1/4" (6.5mm) for planking, rudder cheek pieces, tiller cheek pieces, daggerboard cap, and daggerboard (tow pieces glued together for 1/2" thickness).

One-half sheet of 4x8 plywood: 3/4" (18mm) for bow and stern transom.

## Plywood needed for 9'6" pram:

As above, except you'll need one and one-half sheets of 4x10 plywood, 1/4" (6.5mm) for planking and other parts listed above.

## Hardware

We carry rudder-mounting hardware, oarlocks and sockets. To order: call THE WOODENBOAT STORE 1-800-273-SHIP(7447)
