

STICKLEBACK CANOE

HULL MATERIALS

All sizes are finished. Minimum extra is allowed for waste.

The more substantial softwoods work well for practically all parts: Douglas fir, Port Orford cedar/Lawson cypress, yellow pine etc. Or lighter hardwoods: mahogany, ash, etc. Keel and gunwale rubbing strake could be hardwood. Softwood floorboards may be fitted over light floors as in Wee Rob.

APRON- STEM	1/8" x 7/8+	100'	3 x 24mm	32m
HOG	1/2" x 1-1/2"	10'	12 x 38mm	3m
