**Vineyard Cultivation:**

In the small circle of elite producers in the heartland of Saumur-Champigny in Varrains, the lively, friendly and talented Dominique Joseph is impossible to miss. Fully organically farmed since 1992, the Domaine grows 12 hectares of vineyard perfectly located over 55 different locations. The "Les Clos Lyzières" is a single vineyard ideally located meters away from the legendary "Les Poyeux" vineyard, with a south, southeast exposure to the sun.

**Vinification:**

The organic vineyards are harvested by hand and the grapes are destemmed to undergo their maceration in concrete vats for the blended cuvées and in an oak vat for "Les Poyeux". A low yielding vineyard is always offering wines of great depth and complexity. Once the maceration or infusion is done, the "Clos Lyzières" cuvée is then matured for twelve months on fine lees in concrete vats.

**Tasting Notes:**

The bouquet opens up with dense black fruit, violet flower petals and wet forest floor, subtle leather notes which are multi-layered and deep. On the palate, the minerality goes on and melts into beautiful wild herbs and black fruit notes. Drink now or keep in the cellar up to 2026+.
