Vineyard Cultivation:

Based in the heart of the Rasteau appellation of Rhône, Domaine du Trapadis has been owned and run by the Charavin family since 1850. Helen Durand, the current owner, is the fourth generation of the Charavin family to grow grapes upon these soils. Spanning 35 hectares, the domaine's vineyards are grown under the appellations of AOP Rasteau, AOP Rasteau VDN, AOP CDRV Cairanne, AOP CDRV Roaix, AOP CDR, and Vin de France. 20 year old vines on average.

Vinification:

20-year-old vine on clay-limestone soil. Organic cultivation without artificial fertilizers and pesticides. The harvest is pressed directly, then the juice is cold settled for 24 hours. After 20 days of maturation in vats, the remaining 20 months were matured in cement tanks.

Tasting Notes:

A white Grenache full of freshness and fruit. It is a full-bodied and opulent white with low acidity. This sweetness allows us to produce natural wines, with a beautiful roundness and a long finish.

Soil Type:

Clay-limestone

Method:

Biodynamic, Certified Organic (Ecocert)
