Vineyard Cultivation:

Domaine de Saint Pierre is the epitome of a top flight Jura Domaine. Fully Owned since 2011 by the charismatic and pragmatic Fabrice Dodane, the tiny six hectares of vineyards are ideally located in the appellation Arbois in villages such as Vadans, Mathenay, Arbois and Pupillin. The vineyards have been farmed organically since 2002 with biodynamic practices being implemented right after.

Vinification:

Spontaneous fermentation, zero filtration and clarification and zero added sulphur.

Tasting Notes:

Very light fire red, on the nose a cocktail of raspberries, red currants and wild strawberries, nuances of blackberry leaves and pine cones, literally smells of acidity and minerality. On the palate an airy texture, wiry body supported by a strong acidity, harmoniously supported by tannin, red berries again, subtle flint, the extremely juicy drinking flow ensures great potential for fun.

Soil Type:

Silt and Sand

Method:

Organic
