Vineyard Cultivation:

In the heart of Puy-Notre-Dame, Saumur, L'Austral has brought a new perspective with Australian influence to Loire Valley wines. The vines of the Amandiers parcel were planted in 1990. In 2016, the chance to start their own domaine occurred through the lovely Françoise & Philippe Gourdon of Château Tour Grise, who allowed them to lease out and take over 4 ha of vines that have been grown biodynamically for 20 years. This cuvee is actually the last Les Vigneaux cuvee as the plot has been sold, renamed to V as it projects a different philosophy to previous vintages.

Vinification:

Manual harvesting, drastic sorting on the plot. Matured in bottle for 18 months before release. No sulphur added.

Tasting Notes:

Suave and ripe tannins, with perfect integration which offers a super silky touch on the palate first of all. An aromatic, then, of an impacting sharpness and depth, on the basket of ripe red fruits and a floral touch on the very charming peony. And finally, an ideal balance, perfect sybiosis between accomplished maturity of the Cabernet while keeping a beautiful burst of fruit and freshness.

Soil Type:

Jurassic flint soils

Method:

Organic
