Attractive

Looks good on a buffet, salad bar, or as a tabletop presentation.

Convenient and Clean

No messy, unsanitary ice baths

Cool Technology

Insulated walls feature sealed gel packs for optimal cold.

Food Safe

Maintain temperatures at or below ServSafe® guidelines for up to 4 hours.

The Designer Coldmaster® offers an attractive way to keep foods cold and appetizing. Reduce steps of food handling with the same great features as our standard Coldmaster products. Maintain cold temperatures under 40°F for up to four hours without the inconvenience and mess of ice baths.

BENEFITS

Griptide™ 2 Trays

Built from the ground up; the patent-pending Griptide 2 tray is unmatched. The long-life, non-skid surface grips drinkware and plates better – reducing spills, breakage, and cost. The coated tray edge is a bumper against heavy daily use. We take our trays through rigorous testing to ensure they excel in both function and durability.

Less Slip & Tip

Holds a full glass at a steeper angle than ever before.

Durable Materials

Impact and drop tested for superior performance.

Food Carrier Bags/Pizza Bags

Outperform every day.™

Vollrath pizza delivery bags are constructed with high-performance insulation and moisture absorbent liner to hold food at a consistent temperature and ensure food quality. Designed to hold pizza boxes but adaptable enough to transport other menu items.

- Heavy-duty locking clips that keep load secure
- Closing flap with high-quality wide Velcro tabs
- Hanging loop for proper drying
- Anchor strap to secure bag to bike tray or for hanging
- Customization available
