**Ace Collection**

**Abuela** The Abuela chair is available as a bar stool, side chair, or armchair. All versions feature the same soft, elegant lines and unique design that is lightweight, easy to clean, and most importantly – comfortable!

**Ace Collection** Meet your go-to seating collection for outdoor dining spaces. The Ace collection has everything: a rust-proof aluminum frame, solid polywood slats, and a classic design that goes with a variety of places and spaces.

**Amelia Collection** Worthy of celebration! With its striking appearance and durability, the Amelia collection celebrates industrial materials, processes, and craft. It is stackable to save storage space, and is available for custom colour finishing to match any brand or aesthetic.

**Cedric** In recent years, this style of chair has experienced a huge revival in popularity given its versatility and lasting structure. It combines the comfort of vinyl with the durability of a metal frame, making it ideal for any indoor setting.

**Educator** A timeless classic, the Educator features a smooth ladder-style backrest and saddled seat which makes for a comfortable dining experience. Made of durable beechwood with sophisticated finish options, the Educator does not disappoint.

**Kate** Add character and style to your dining space. The Kate Collection features a beechwood seat and backrest, supported by a fully welded metal frame. Four subtly tapered legs provide both stability for your guests and style for your dining room.

**Raven** The Raven chair is a modern classic design inspired by the mid-century Danish aesthetic, with clean lines and simple forms. Raven is designed to be both beautiful and comfortable, with custom upholstery options available to suit any brand or interior.

**Spencer** The Spencer chair is the workhorse of all restaurant chairs. The frame, legs, and back are fully welded metal, making it ideal for high-traffic commercial spaces like fast food restaurants. The beechwood and black vinyl seats are both comfortable and easy to clean, and the simple ladder back design allows this chair to work in any space.

# Faster Throughput Meets HOBART CLEAN

## LXn Series **advansys**<sup>™</sup> UNDERCOUNTER COMMERCIAL DISHWASHERS

Hobart Clean is all about helping you achieve superior sanitation and results with less labour by washing smarter. That's why we engineered the new LXn undercounter dishwasher with the exclusive NSF certified two-level rack that increases dishwashing speed and reduces labour. Combine that with the user-friendly touchscreen and ability to remotely monitor performance and you will reach new heights of operational efficiency.

**ACHIEVE HOBART CLEAN WITH THE NEW LXn UNDERCOUNTER DISHWASHER.**

## HOBART SmartConnect PERFORMANCE AT YOUR FINGERTIPS
