

SWIMWEAR SIZE CHART

Please take a moment to measure yourself to pick the best fit. You will need a soft measuring tape. Follow the guide below with both **US & Brazilian** sizes.

If you are in between sizes, we suggest sizing up.

BUST: Stand naturally. Measure under your arms and around the fullest part of your bust.

WAIST: Bend to one side and find the crease. Measure fully around the smallest part of your waist.

HIPS: Stand naturally with your heels together. Measure around the fullest part of your hips across both hip bones.
