Great apple taste!

## Boost the Body's Wound Healing Power with Nutrition

PUSH 20+ is a unique blend of complete protein coupled with patented collagen dipeptides that activate the body's wound healing mechanisms.

### Features

- **20 g of complete protein** - building block to aid in healing and maintain lean muscle mass
- Patented blend of **highly concentrated dipeptides** that promote tissue proliferation
- Micronutrient wound healing support - **vitamin C, vitamin E & zinc**
- **3.1 g of Arginine** - essential amino acid to aid wound healing
- **40 mg of Hyaluronic Acid** - promotes skin moisture
- Found in human plasma for up to 4 hours

### Usage Directions

- Take one or two servings per day, depending on the severity of the wound and other medical issues (consult with a physician).
- Ready to drink or mix serving with 1- 4 oz of water.
- No refrigeration needed

### Tube Feeding

Mix serving with 30 ml water and syringe mixture through feeding tube. Flush tube with 30 ml water after administration.
