## Effective Pre-K Family Engagement

Empowering Parents to Join You in Preparing Children to Succeed

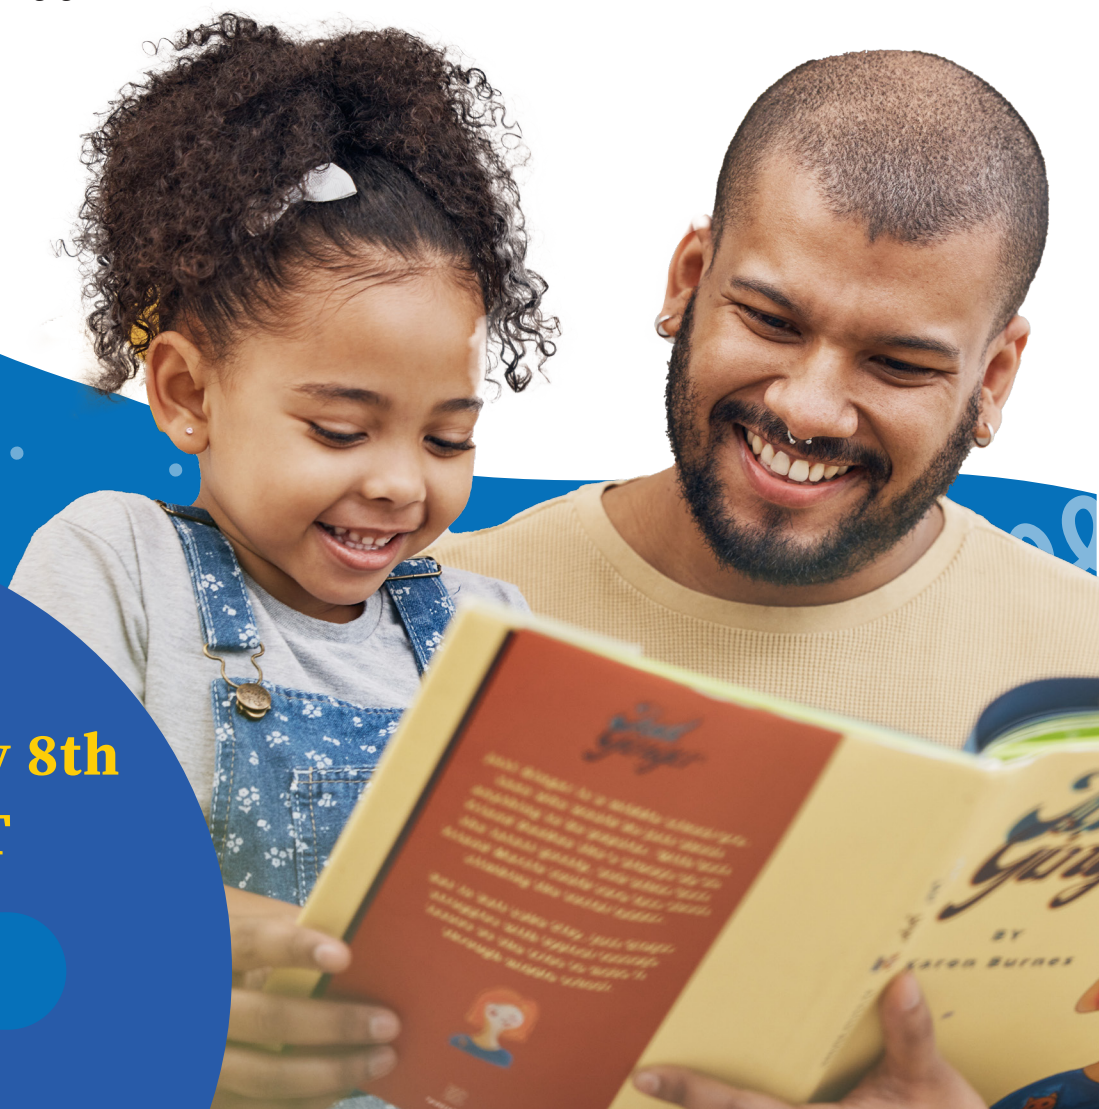

### Register to learn:

- What elements make the difference for impactful preschool learning at home?
- How can parents and other caregivers support or inadvertently impair children's educational development?
- What can schools do to make effective at-home learning realistic for overworked, overstressed parents of preschoolers?
- How can you provide at-home learning resources for Pre-K development that empower parents and engage children?
