

MINIATURE SERIES

*Angel's  
dream*

M001 INSTRUCTION

# Angel's dream

## Tips:

1. Assemble the little house according to the production manual.
2. The color pictures of the packaging is completed renderings. please refer to the diagram.
3. Please prepare the following tools: nipper, knife, ruler (length would be 30cm), scissors, needle, double side tape.
4. Before commencing, do go thru briefly on the user manual to get an overall idea.
5. Do use provided sand paper to smoothen the wooden parts which is rough and uneven.
6. Please take note that all materials that provided is more than sufficient, however, try to avoid overly use or discard the material after used. As you might reused the same material on the next step/phase. (especially on woven material, try measuring the minimum length required, to avoid shortage of material before completing the project.

## Tips & techniques:

1. Before commencing, do go thru briefly on the user manual to get an overall idea.
2. Do use the provided sand paper to smoothen the wooden parts which is rough and uneven.
3. Please take note that all materials that provided is more than sufficient, however, try to avoid overly use or discard the material after used. As you might reused the same material on the next step/phase. (Especially on woven material, try measuring the minimum length required, to avoid shortage of material before completing the project.
4. For young children, adult guidance is required, as during the project, sharp object are being used.

## Assembles

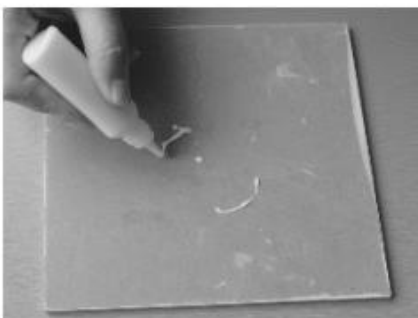

Before opening the product, check the materials.

1. Each pack of B, C, D.
2. Three papers assemble.
3. Three piece of panel, two of them painted one side, one is wood
4. A bottle of glue.

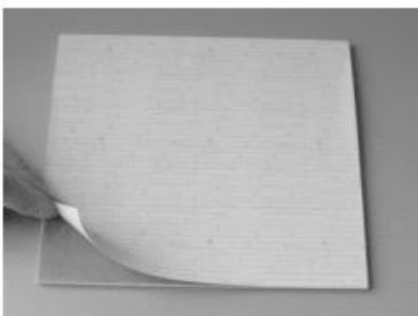

## Frame

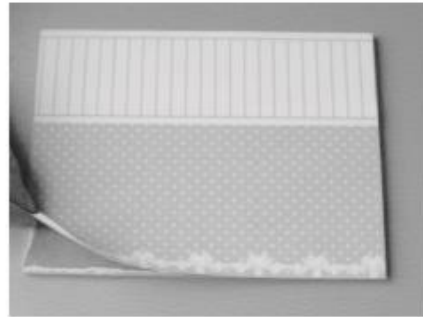

1. Take three pieces of panel from A01 to A03 and A04-1, -2,3.

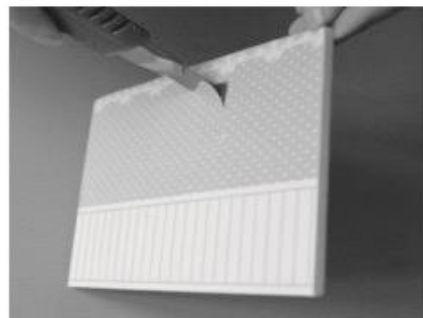

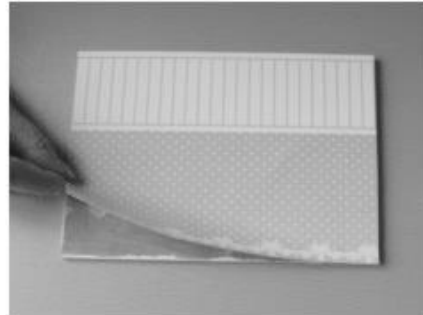

2. Paint the glue on the colorless side of A01 and A03.

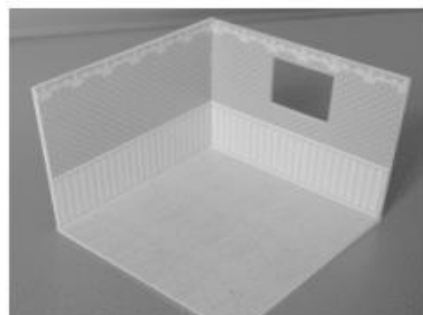

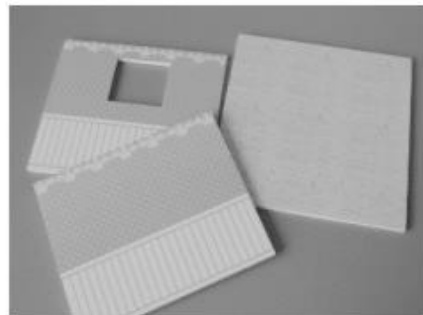

3. Stick the material A04-1 onto the colorless side of A01.

4. Stick the material A04-2 onto the colorless side of A03.

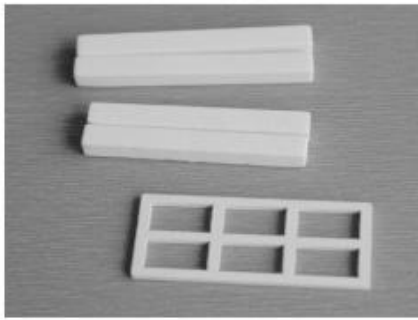

5. Stick the material A04-3 onto the colorless side of A02. (hole it in the shape of the board A02)

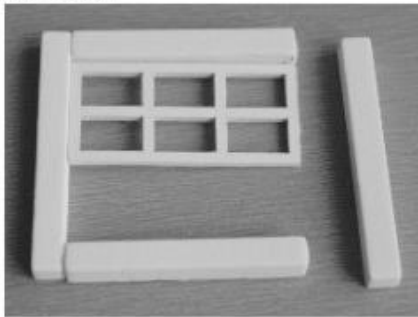

6. Assemble the frame according to the diagram.

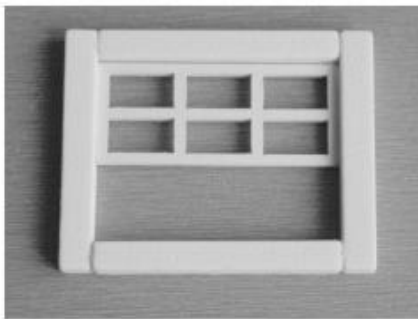

## Window

1. Take the material of making the windows from B01 to B03.

2. Stick it according to the diagram.

3. The window is accomplished.

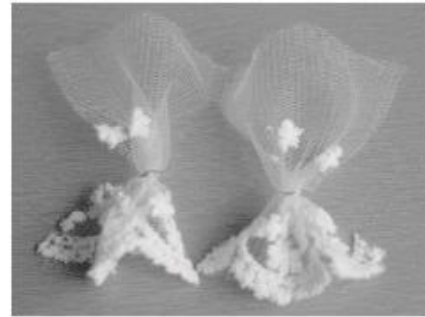

## Curtain

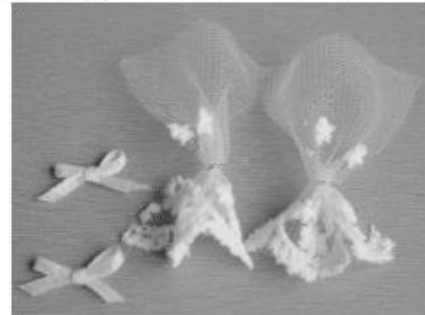

1. Take the material from B04 to B07 and 10cm-length B18.

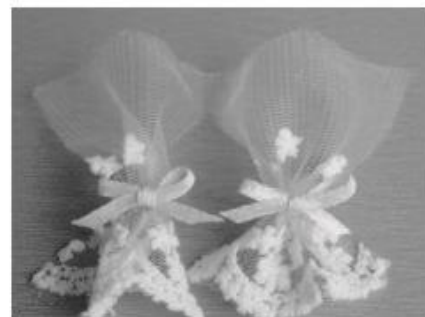

2. Cut the brim B05 according to the diagram.

3. Cut B18 into two pieces of 5cm-length and stick the brim B05.

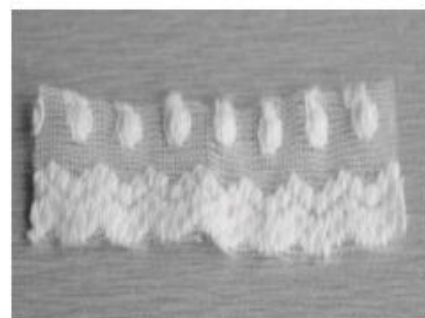

4. Cut pink ribbon B07 into two pieces of 10cm-length to make two bowknots.

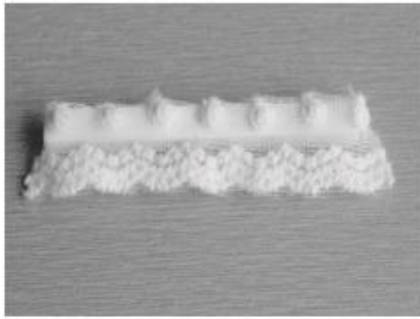

5. Stick the bowknots onto the big brim.

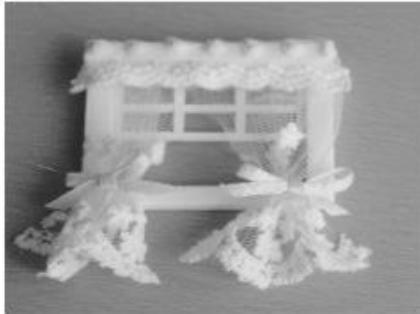

6. Stick the bowknots onto the big brim.

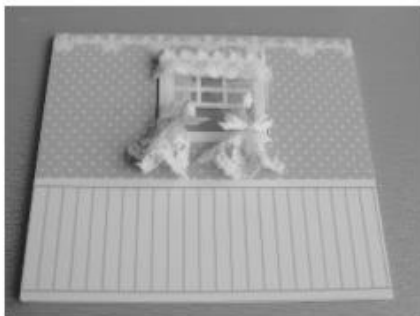

7. Stick the bowknots onto the big brim.

8. Stick the cut Sb06 and the wood B04 together.

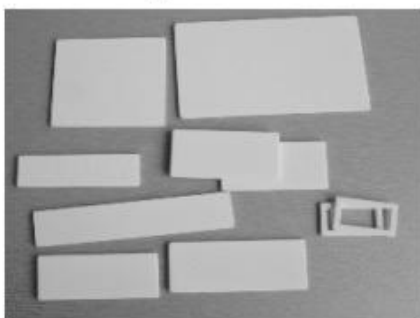

8. Stick the cut Sb06 and the wood B04 together.

9. Stick the window onto the board.

床

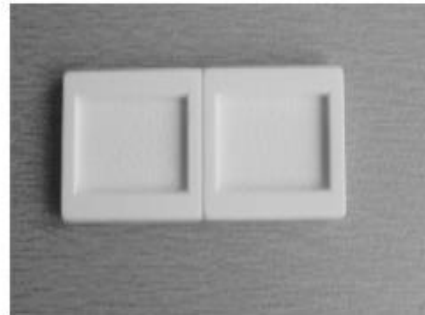

1. Take the materials from B06 to B16 from the bag B.

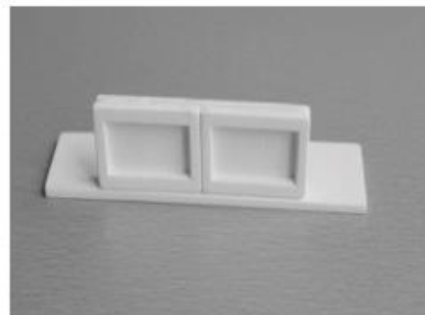

2. Assemble the materials from B08 to B10 to finish the front of the bed.

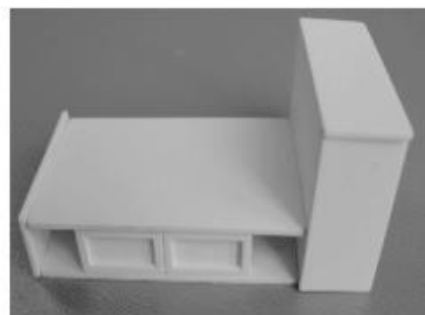

3. The front picture of the bed.

4. Stick the B15 and B14 according to the diagram.

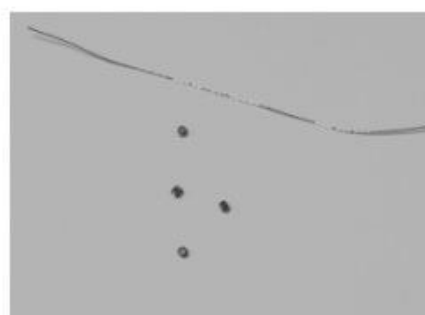

5. Stick the wood B12 and the drawer of the bed.

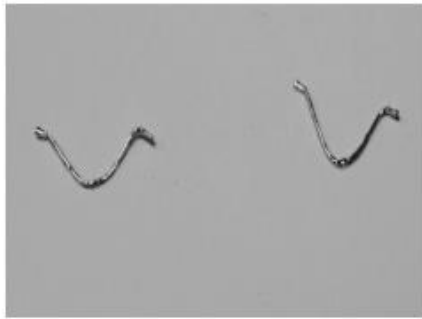

6. Assemble the materials B11 and B13.

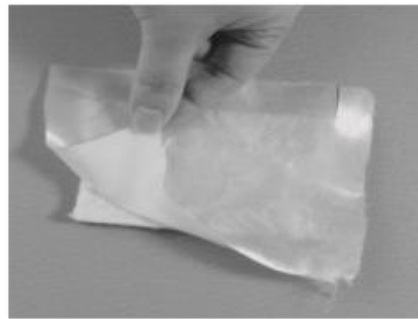

### The drawer handle

1. Take the materials from B17 and B18 from the bag B.

2. Cut B18 into two pieces of 1.2cm and bend them according to the diagram.

4. Lay the B20 onto the glued non woven fiber cloth and the wood.

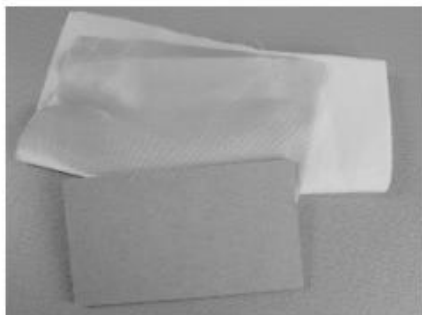

3. Stick B17 onto both sides of the bent thin needle to finish the handle.

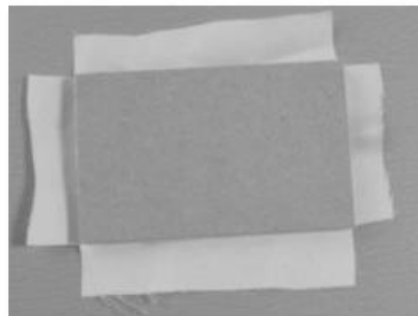

5. The back picture of the curtain.

### Bed cushion

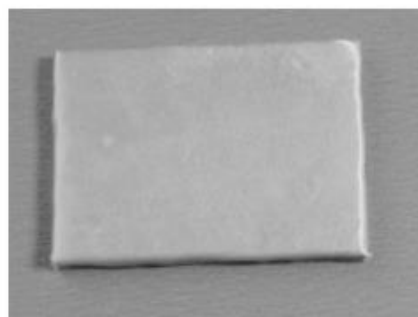

1. Take the materials B16, B19, B20 (cut into 10\*12cm)

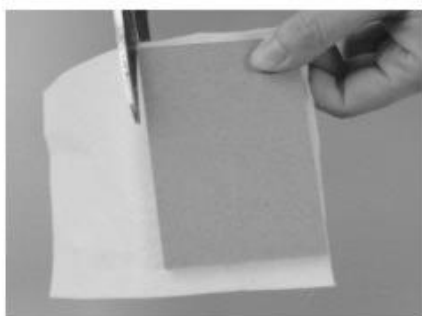

6. Cut the four corners of the silk cloth to wrap the board.

2. Stick non woven fiber cloth B19 onto B16.

7. The bed cushion is accomplished.

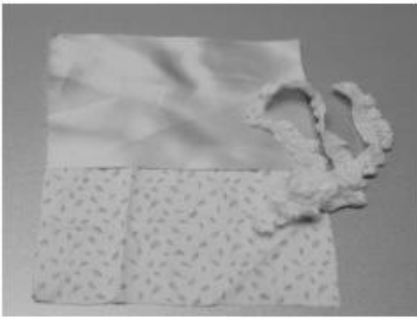

3. Cut the non woven fiber cloth in the same size of the wood. (stick the both side of the cloth)

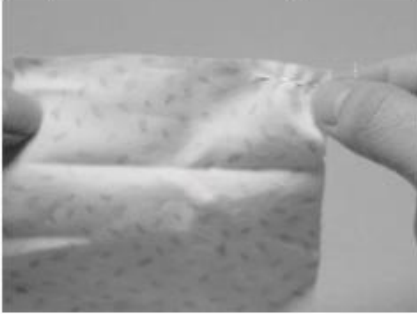

8. Stick the cushion and the handle onto the bed.

## Quilt

1. Take the materials from B20 (7.5\*11cm) and B21, B22 from the bag B.

2. Thread the B20 and B21 according to the diagram.

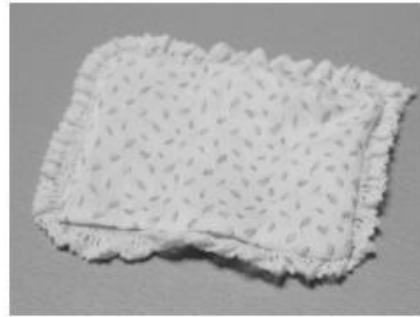

3. Turn over it when it rests  $\frac{1}{3}$ .

4. Finish the final gap.

5. Cut the brim B22 according to the diagram.

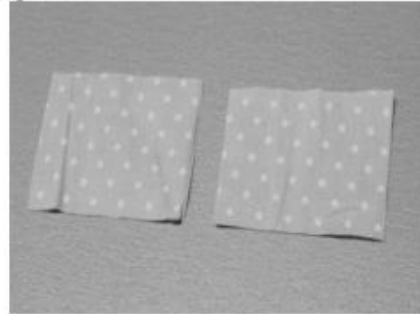

6. The cover is accomplished.

## Pillow

1. Take the materials from B23 to B28 from the bag B.

2. Cut B23 into two pieces of 3.6cm.

3. Fold it and finish it by needle.

4. Turn it over it when it rests  $\frac{1}{2}$ .

5. Finish the final gap.

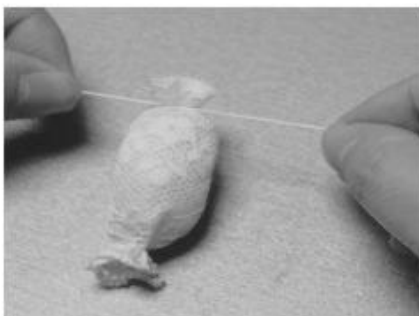

6. Fold the big brim B24 and thread it according to the diagram.

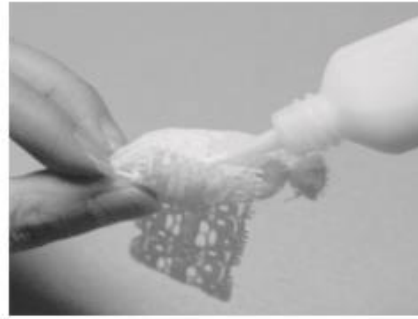

7. Bind it using thread.

8. Stuff the cotton in it.

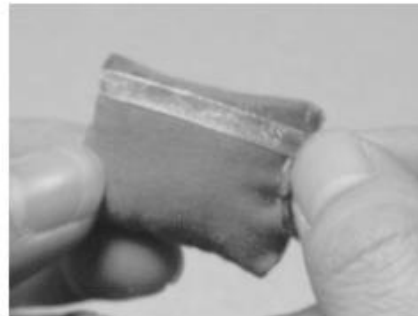

9. Bind the other side of the brim.

10. Stick the brim B25 onto the pillow.

11. The long pillow is accomplished.

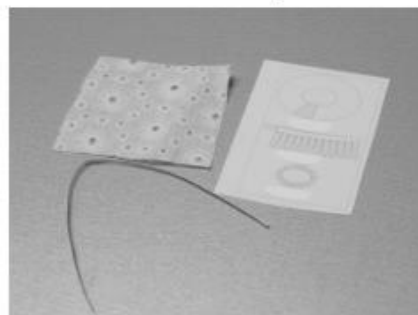

12. Sew the pink B27 according to the proceeding of the pillow.

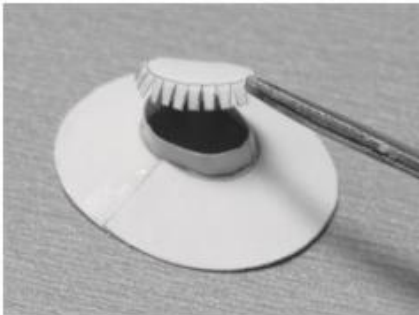

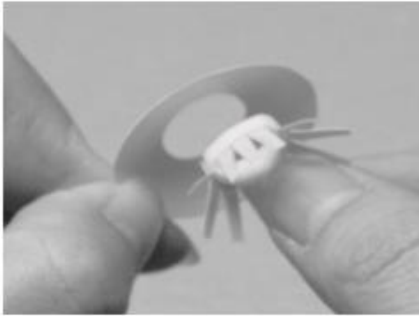

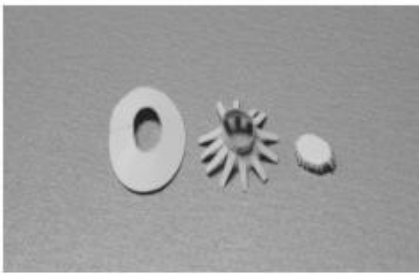

13. Cut ribbon B28 into a 10cm and make a bowknot then paste it onto the pillow.

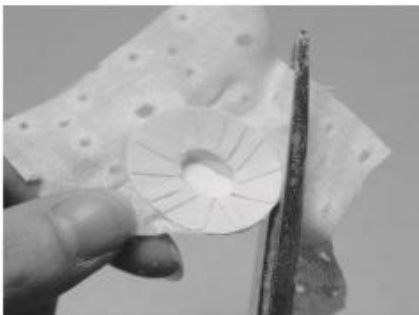

### Cap

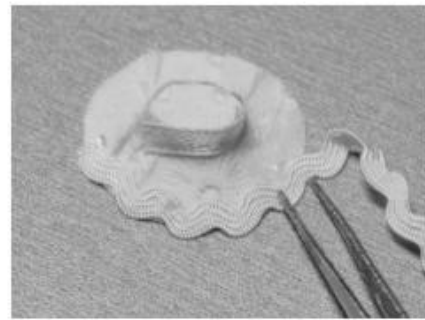

1. Take the materials B29 and B32 and A04-4 from the bag B.

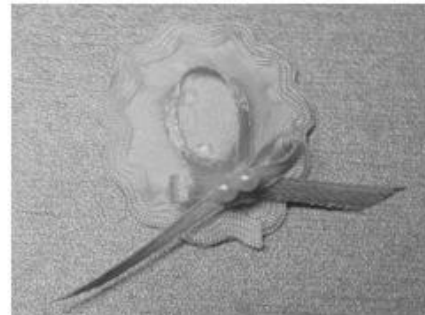

2. Assemble the A04-4-1,-2,-3 to finish the cap.

3. Paste B29 onto the mold of the cap, and cut the useless part, then twist the cat top by the ribbon B31 and paste well.

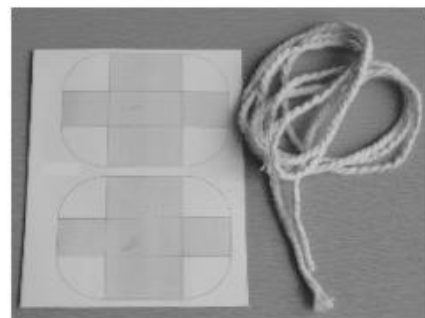

4. Use B30 to twist and fasten to the brim of the cap.

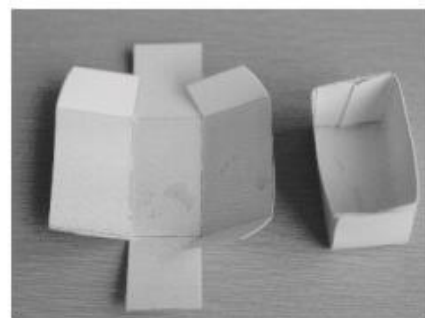

5. Cut B31 into a 10cm part and make into a bowknot and fasten it onto the cap. Fasten bead B32 onto the cap to finish the cap.

### Basket under the bed

1. Take the materials B33 and A04-5.

2. Cut A07-15 and fold it to finish two boxes.

3. Paste the outside of the boxes and twist it by B33..

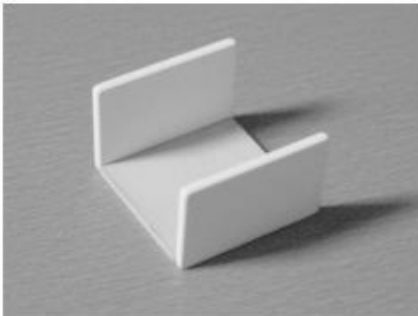

4. The basket is accomplished.

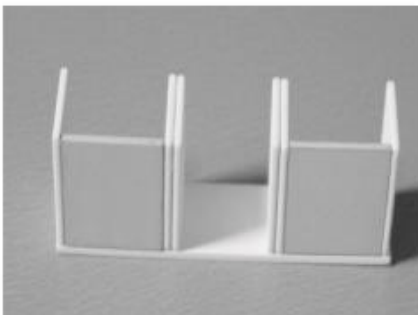

### Cabinet

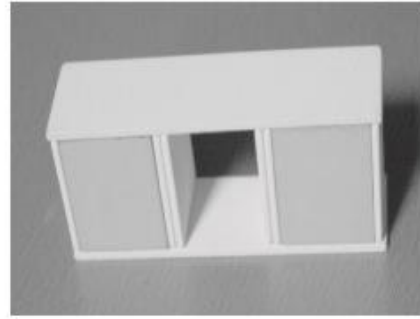

1. Take the materials C01 to C07 from the bag C.

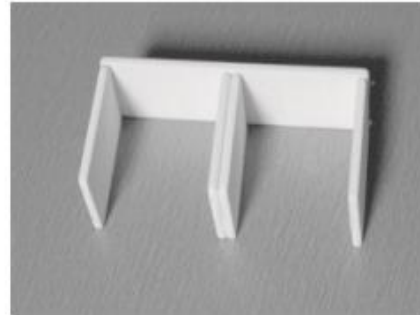

2. Paste the material C03, C02 to finish two.

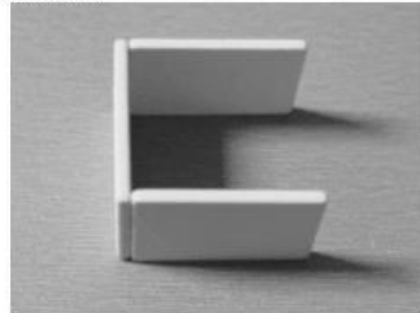

3. Stick it with C01.

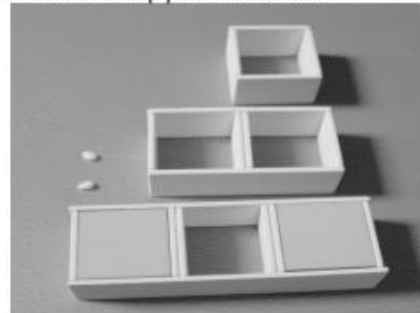

4. The cabinet is accomplished.

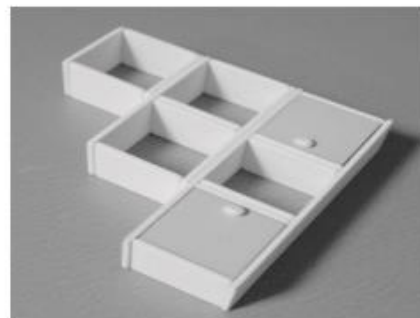

5. Paste the wood C04 and C02 to finish things in cabinet.

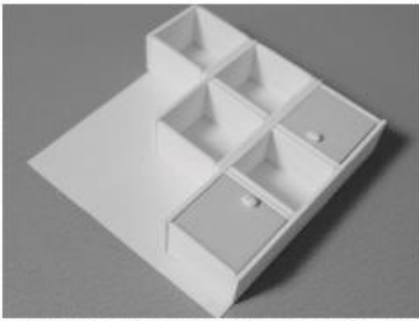

6. Paste the wood C05 and two pieces C02 to finish the upper cabinet.

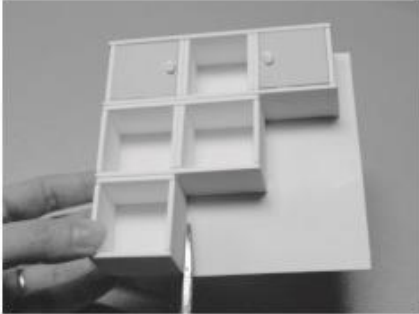

7. The diagram to show the accomplished cabinet.

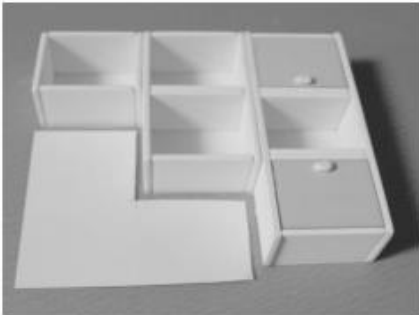

8. Assemble each part of the cabinet and paste the C07 onto the cabinet.

9. Assemble the finished cabinet back and paste the hard paper C06.

10. Cut the useless part.

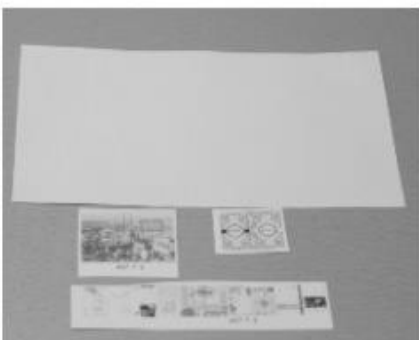

11. The cut part is remained to latter use.

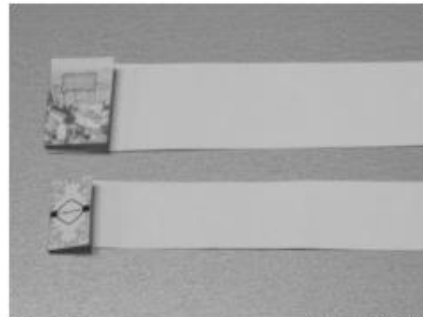

11. The cabinet is accomplished.

### Book

1. Take the paper C12 from the bag C.

2. Cut the press paper A04-7-1 and A04-7-2. Cut the cover.

3. Fold the pages according to the diagram.

4. Paste the pages and the cover to finish the book.

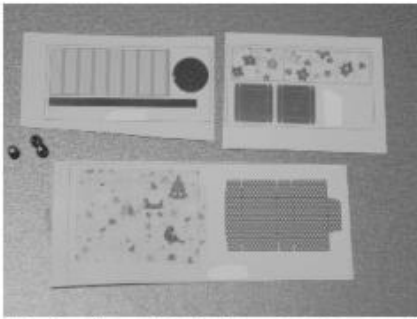

5. Cut A07-7-3, and paste it.

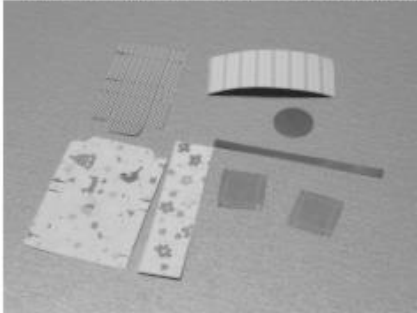

6. The magazine is accomplished.

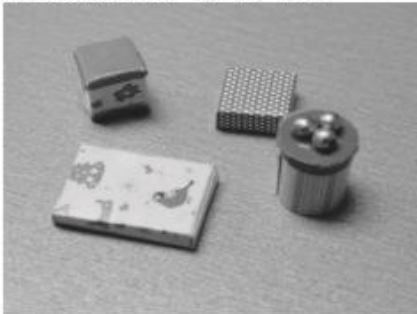

### Box

1. Take the A04-18, -9.-22 and C13.

2. Cut the A04-8, -9,-22.

3. Fold the paper material and paste it into a box, paste three C13 onto it to finish the box.

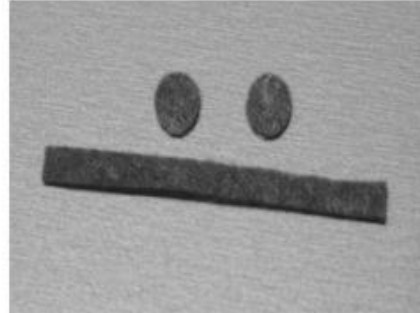

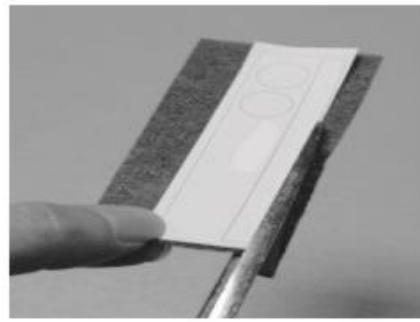

## Toy

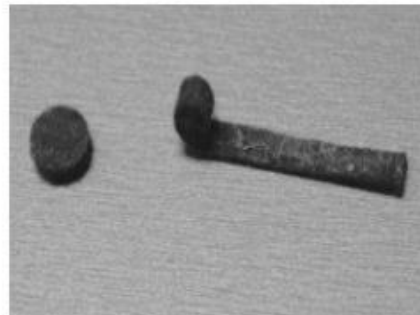

1. Take the materials C14 to C17 from the bag C. Cut A04-10-1. -2.

2. Cut A04-10-1 and fold it and paste it into a box.

3. Cut C15 in the shape of the A07-10-2.

4. Roll the long nonwoven fiber cloth and paste two round nonwoven fiber cloth.

5. Cut C16 into 3cm, and twist it around the cap.

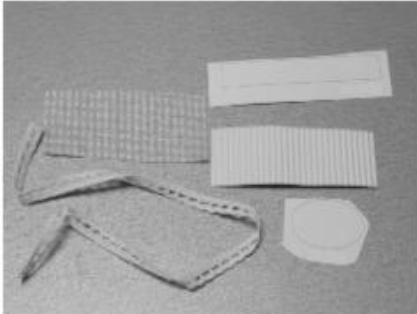

6. Take ten cm red D17 to make a bowknot attached it onto the bear, and paste the cap on it.

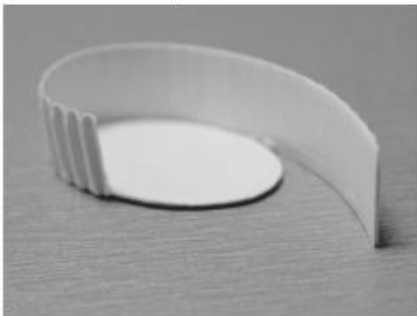

7. Put the bear into the box to finish the bear.

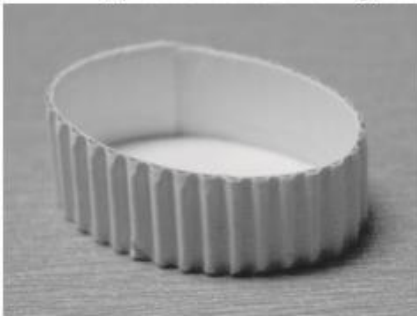

### Basket

1. Take the paper C18 to C20 from the bag C and A04 -11-1, -2.

2. Cut the crimp C18 in the shape of the A04-11-1; Cut the rest hard paper C06 in the shape of A04-11-2, paste it according to the diagram.

3. Cut C19 into 7\*1.5cm and twist the basket and cut the useless part.

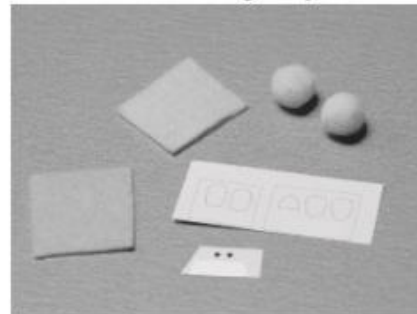

4. Roll the brim C20 around the basket.

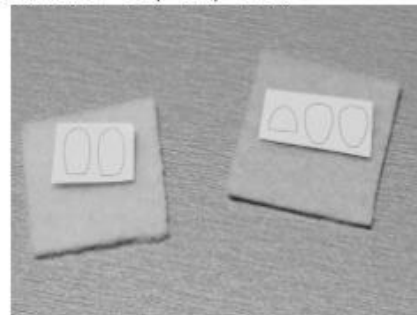

5. the basket is accomplished (you can put the book or the duckling into it, the making of the duckling latter will be referred)

### Duckling toy

1. Take the paper C21 to C23 from the bag C. And A04 -12, -13, -14.

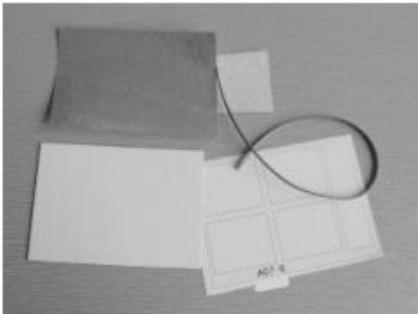

2. Cut the orange cloth C22 in the shape of the A07-12, and cut the yellow cloth C23 in the shape of the A07-13; stick two yellow cotton balls together.

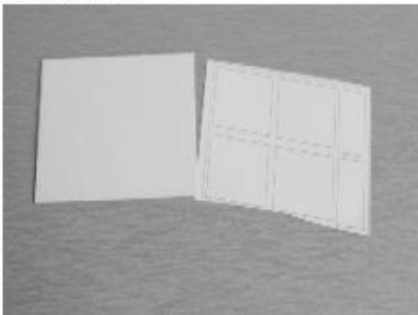

3. Cut the 04-14 and paste the cut mold and paste to finish the duckling toy.

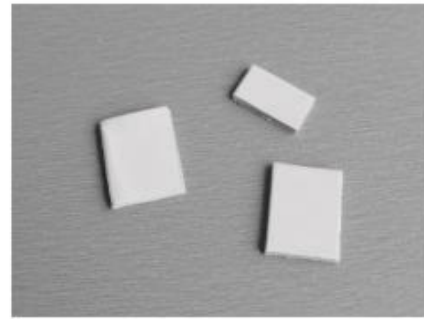

### Gift box

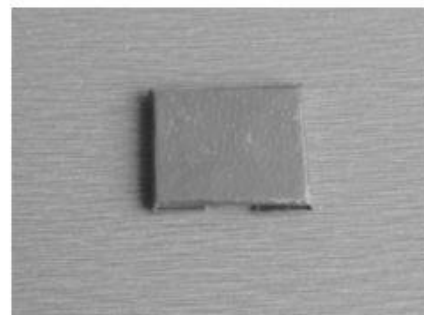

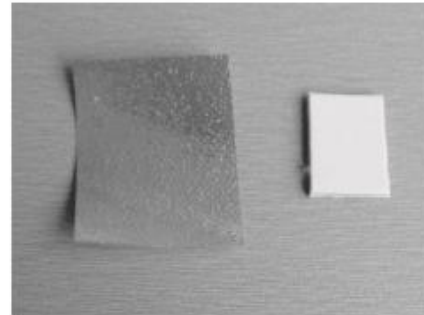

1. Take the paper C08 to C11 from the bag C. And A04 -6.

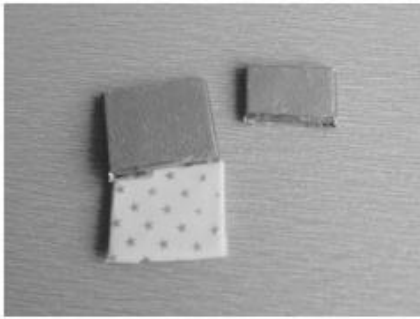

2. Paste the A04-6 onto the C08.

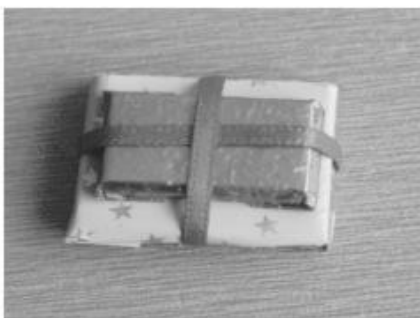

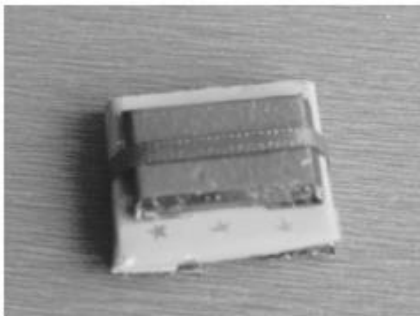

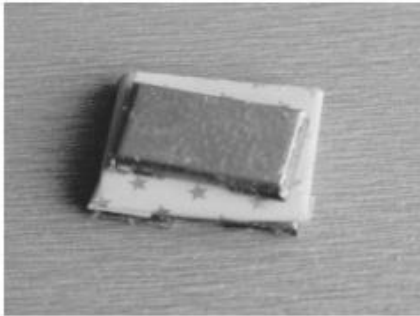

3. Paste two hard papers together.

4. Cut the wrapping paper into 3\*4(the rest of it is to wrap the hard paper), wrap two hard papers according to the diagram.

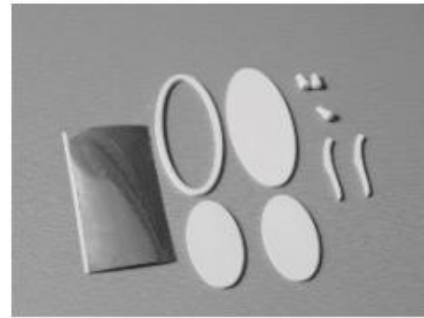

5. Wrap another two gift boxes in the same way. Wrap the two-sticky card by C10; the rest of C09 is to wrap the little size paper.

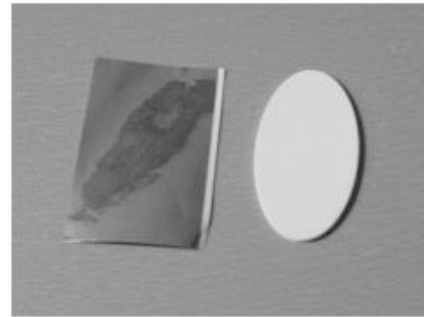

6. Cut ribbon C11 into a 5cm and a 6cm part, stick them onto the gift box; the rest ribbon is to be wrapped into bowknot and stick it onto the box.

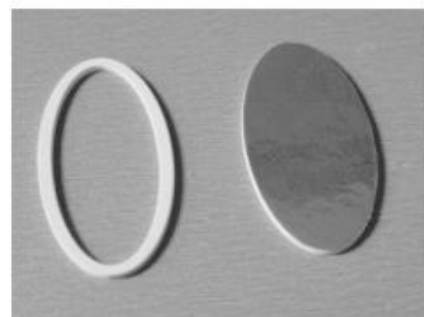

## Mirror

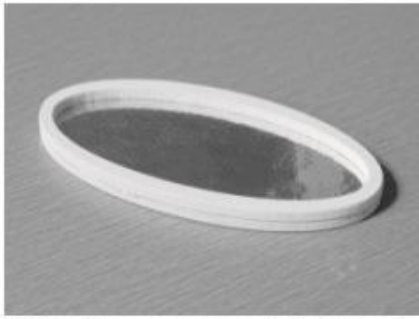

1. Take the paper C24 to C29 from the bag C.

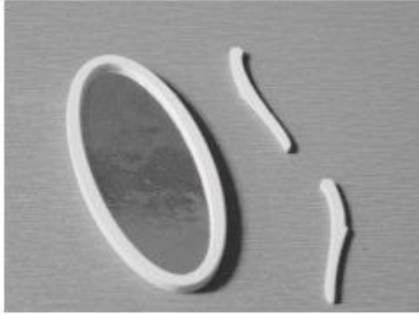

2. Paste one side of the C24 and stick the C29 onto the C24; cut the useless part.

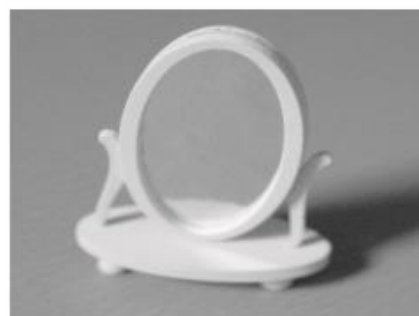

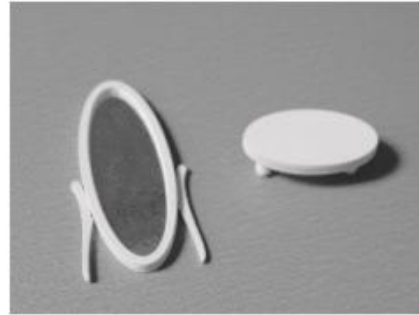

3. Stick the wood grain C25 onto the C24.

4. Paste the wood grain C27 according to the diagram to finish the mirror.

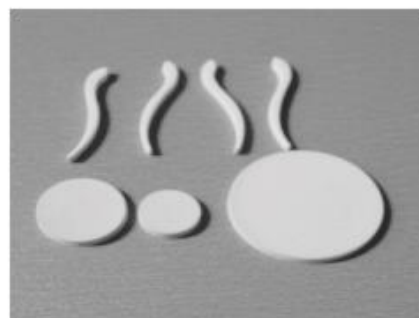

5. Stick the C26 together and stick the log grain onto the bottom of the C28.

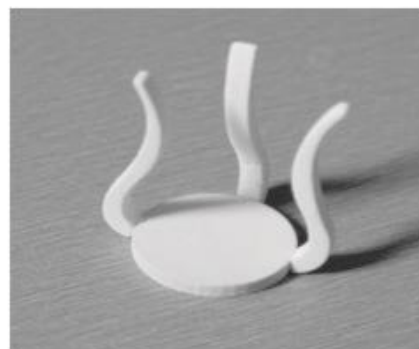

6. Assemble each part to finish the mirror.

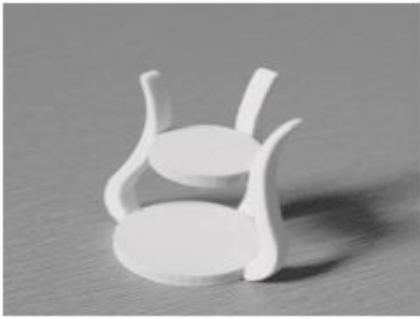

### Bed chair

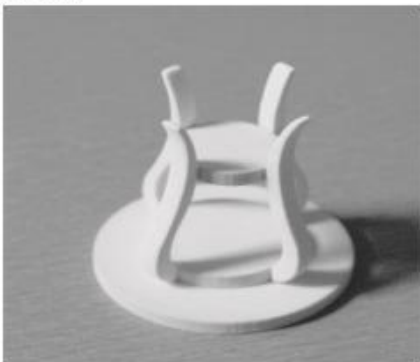

1. Take D01 to D04 from the bag D.

2. Paste the D02 and D04.

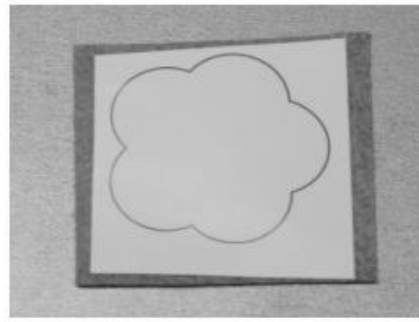

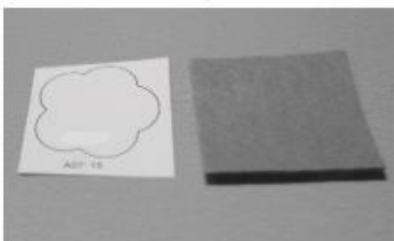

3. Paste the D03 and D02, D04 according to the diagram.

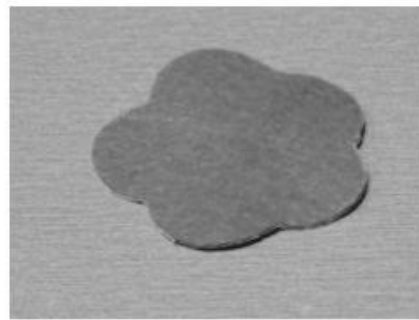

4. Stick the finished part and D01 together to finish the desk.

### Carpet

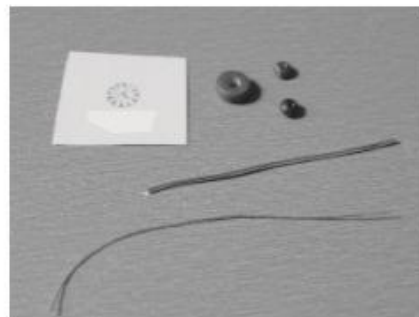

1. Take D05 and A04-15.

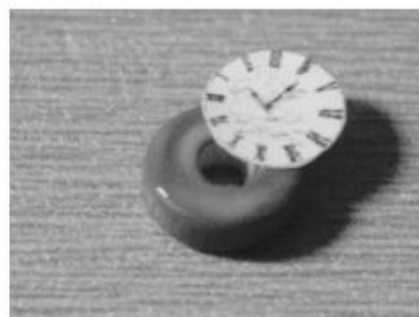

2. Cut A07-15 in the shape of D05 to finish the carpet.

### Alarm

1. Take the D06 to D07 and cut A04-16.

2. Cut A04-16 and stick it with the red bead D06.
