

Seasons in the sun

*You was always very careful before,
borrowed only half piece of eraser from me
You once mentioned it unintentionally,
you liked to stay with me.*

*The sky was always very blue at that time,
time passed slowly.*

*You always said graduation is at a far distant date,
but it's time to separate the next moment...*

Warm Prompt: Timber, cloth and bead might be slightly different in different batches, but it'll not affect the overall effect. Please refer to the real product for detailed information. If you have any questions, please contact us.
