ONLINE STORE

The online store is one of the best ways Cheeta Teamwear stand out from the competition. We set this up for you on our server and create a buying period for your club members. Once this period ends we manufacture the items and deliver directly to the club. The advantage of this is clubs don't need to put money upfront, guesstimate peoples sizes and have no wasted stock left over in the club rooms.

Another way we help your cricket club is through specialist items for your Pink Stumps days. If you need a Guernsey to auction, or a set of pink caps for the day please do not hesitate to reach out and we can come up with some options for you to use as a fundraiser for this great cause.
