

# SHIPPING & DELIVERY

Cheeta Teamwear's products have varying manufacturing lead times depending on the product. Your account manager will be able to provide a lead time for your items before you place your order. Please ensure that you are leaving yourself enough time to get the order produced and shipped before you require them.

Your orders will be shipped using reputable carriers such as TNT, StarTrack, Border Express and Capital Transport. Shipping is charged at cost from our warehouse in Nunawading VIC to your postcode. Located near our warehouse and want to save on delivery costs? You can also opt to 'click and collect' from our warehouse free of charge.

We ship orders with same-day couriers if you are located within ~40km of our Nunawading office. If this is the case for your order, you will receive a notification from us before it is booked in for collection to advise whether you will be home, or any authority to leave and delivery instructions.

If your shipping is next-day or longer, you will receive a dispatch email with a tracking number once the items have been shipped from our warehouse so that you can track the shipment.

If you need assistance with tracking your shipping and delivery, get in touch with our team and we will be able to assist for you.
