**WILBUR (CLEAR)
 FILAMENT LED LIGHT BULB**

WattNott is a range of LED filament bulbs by Plumen. We've taken classic bulb shapes, given them individual characters, a modern design twist and vibrant packaging. They're an energy efficient replacement for the energy-hungry squirrel cage filament bulb. All of the bulbs in the range are fully dimmable and available in 'Warm' and 'Super Warm' to give you exactly the light you want.
