When printing, ensure the print scale is 100% **DO NOT SCALE** and page size is **A4**.  
Always measure the internal diameter of the ring.

Place one of your existing rings that fits the finger you wish to wear your new piece on  
over the circles until you find the one that matches the inside diameter of your ring.  
This corresponding circle indicates your ring size.

The bar above must measure exactly 50mm long.
