NutraMilk Nut Processor
Do you love fresh nut milk, but you don't love the process of having to soak or strain your nuts overnight? NutraMilk's patented, revolutionary method of making delicious, healthy nut milk from virtually any type of nut makes the once tedious process simple and fast and with no leftover pulp to worry about. thenutramilk.com
\$449.95

Flow by Plum Labs
Flow is a personal air quality monitor that connects to your phone to track pollution levels. With its handy vinyl leather strap, you can hook the sensor to your bag. Like it everywhere you go and track the air you breathe on the Flow app to see just how dramatically it changes throughout the day. It's more important than ever to be mindful of air quality at home and on the go, and Flow empowers you to make informed decisions for your health and your family. plumlabs.com
