

# Roma Bean to Cup

An expertly engineered, table-top, Bean to Cup machine combining proven technology with rugged dependability, designed for the most demanding installations

The Roma's 'true' espresso brewing system boasts a fully adjustable grinder to produce the perfect espresso time after time from your choice of beans

The standard push button strength adjuster allows each cup to be brewed to your individual taste

By using professional quality granulated milk and hot chocolate ingredients, a single Roma machine can produce a wide range of coffee shop quality drinks at the touch of a button

Traditionally supplied in 'Classic Black' the Roma is now also available in 'Rich Copper', 'Smooth Chrome' and 'Mellow Gold' finishes

## Standard Features Include:

- Sophisticated 'true' espresso brewing system comprising:
  - Adjustable precision conical grinder
  - Volumetric ground coffee dosing unit
  - Twin water boilers
  - High pressure closed loop water dosing control
- Push button espresso strength adjuster
- High Speed, precision balanced 'whipper' units
- Choice of single shot ground coffee dosing weight:
  - 6.5g to 8.5g
  - 10.0g to 14.0g
- Drink size from 7oz to 16oz
- Either 2 or 3 canisters for milk, sugar, chocolate, instant or decaf
- Easy to remove, easy to clean internal parts
- 14 individually configurable 'one touch' product selection keys
- Sophisticated, solid state LED lighting:
  - Back lit chrome effect selection buttons
  - Back lit face plate
  - Illuminated cup station and 'ROMA' decal
  - Adjustable brightness and 'attract' modes
- Choice of lighting colour
- Strong metal cabinet, with black and stainless steel detailing, finished in either:
  - Classic Black
  - Rich Copper
  - Smooth Chrome
  - Mellow Gold

## Optional Features:

- Classic black or colour matched base cabinet featuring stainless steel trim and colour co-ordinated neon-effect lighting
- Radar based, movement sensing lighting control
- Genuine coffee bean filled graphic panel

- 'Go Decaf' single press selection key
- 'Go Large' single press selection key
- Scale reduction water filter installation kit
- Scale reduction filter cartridge

## Accessories:

- Matching cup warming module with 4 heated shelves
- Matching high capacity 3 tier cup dispensing module
- Matching 3 tier condiment serving module
- All the above are available with colour co-ordinated neon effect lighting

## Payment Systems:

- Electronic Coin and Token Validator (no change given)
- MDB change giving module
- Both the above options house the cashbox in a lockable side panel with separate key
- I-Key (cashless payment system)
