Please use this form when sending your item in for service. Print this page; fill out the requested information and return with your complete unit. We always recommend that you use a traceable and insured shipping method, such as UPS or Insured US Mail. Creative Health Products is not responsible for items lost in transit.

You can expedite your repair by including your credit card information and pre-authorizing repair charges. The amount we recommend for Polar monitors is \$75.00, which will cover receiver battery, replacement transmitter (most common repairs) and return shipping. Please include a credit card number (Visa, MasterCard, American Express or Discover Card) with expiration date and security code. Lange, Spiropet, Harpenden, and TKK repairs can pre-authorize repair charges. A suggested amount is \$85.00. **You will only be charged the cost of the actual repair.**
