Lining Fabric: 100% Cotton Flame Resistant Lining 170g

Filling Fabric: 100% Polyester Flame Resistant Filling 150g

Product information

This Winter FR Bib and Brace is perfect for the demands of the offshore industry. Constructed with the same outer fabric as the FR50 and combined with a layer of added insulation and FR cotton lining for extra warmth. Meeting all the required standards including the welding standard. Features include triple stitched seams, high visibility strips on the legs, concealed front brass zip and size leg zips to allow for room when putting on over large boots.

Standards

EN ISO 11612 (A1+A2 B1, C1, E2, F1)

EN ISO 11611 Class 2 (A1+A2)

EN 1149 -5

EN 342 (0.321 (M².K/W), 2, X)

Bizflame™ Plus

BizFlame™ Plus has been developed and designed using a highly innovative flame resistant fabric with added anti-static properties. Constructed from 99% cotton and interwoven with 1% carbon fibres. Excellent tear and tensile strength offer durability while the premium quality cotton fibres give the fabric unrivalled comfort. Inherent anti-static carbon fibre

Flame Resistant

This industry leading flame resistant range provides multi standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.

Features

- Protection against radiant, convective and contact heat
