

# GLOBE

## SIMPLICITY & EFFECTIVENESS

Globe guarantees optimum protection thanks to its exceptional field of vision. Available in several versions, the product is an essential solution for any company looking for an ultra-protective, simple and effective goggle. Its lightly translucent frame offers a better perception of the environment, without glare, for optimal vision. Its design offers the possibility to improve the recyclability of the product at the end of its life, by quickly separating the materials from each other to aid the sorting of the untreated parts.
