Dear Mr Newcomb,

CE PRODUCT CERTIFICATION

We are pleased to advise that your Company's Product Certification against EN136 has been granted.

We enclose your Certificate number 979, signed on behalf of INSPEC.

You are now able to use the CE Mark in accordance with Article 13 of the P.P.E. Directive (89/686/EEC).

We also enclose:-

- Document acknowledgement slip, which should be signed and returned.
- Stamped technical file which must be retained (and made available during future routine surveillance visits). If you change any of the stamped pages, 2 copies of the amended document/page should be forwarded to this office for assessment, together with the original.
- "Master Blank" EC Declaration of Conformity, which we suggest you photocopy and complete for each certified model; (Reference Article 12 of the P.P.E. Directive).

Your manufacturing site will be subject to routine surveillance assessments at a frequency of twice a year. (This frequency will be reviewed annually and you will be advised of any changes).

Finally, we would take this opportunity of congratulating you on achieving your Certification, and we look forward to a long and successful association with your Company.

Yours sincerely,
INSPEC
