VEGAN SWEET PRODUCTS 2022 CATALOGUE

OUR STORY SO FAR

We started selling vegan sweets in 2019 when we had to satisfy our sweet tooth with some great tasting vegan sweets with a main focus of being eco friendly.

We are somewhat vegan sweet experts now and we have some exciting new products to bring to the vegan market which is growing more and more with a focus on sustainability.

Our brand is loved by many sweet fanatics and conscious consumers alike.

What makes us so sweet?

- **Eco friendly packaging**
- **Fun branding**
- **Responsible Tree planting scheme (currently over 18,000 trees)**

Great tasting vegan sweets in eco friendly packaging, the sweetest sweets on the planet?
