

To our valued Residents, Clients, Customers, and Vendors:

As we continue to navigate the current Coronavirus pandemic, Bruner Realty & Management, Inc. will be following guidelines set by the CDC, the Federal, Local, and State government. **Our office will be closed until further notice** to walk-ins, but we will be available by appointment only.

- If you are feeling ill, please let us know prior to any in-person contact so we can limit exposure.
 - Maintenance will be asking individuals if there are feeling ill prior to entry.
- If feeling ill, please limit maintenance requests to emergency only. Our maintenance staff has the right to refuse to enter a unit if they feel unsafe and this includes residents that are experiencing flu-like symptoms.
- Maintenance will be cleaning common area hallways including handrails, door knobs, and light switches. If you can do your part in cleaning your door knobs and other areas, that would be truly appreciated!
- If you are feeling ill, please stay in your home and do not use any common areas including fitness centers, clubhouses, hot tubs, saunas, etc.

We appreciate your understanding. The safety of our residents and staff is our utmost priority during these times.
