

RZR 200 Front Grille with Backing Plate Kit

SKU(s): 925FP0196 (white), 925FP0197 (red)

INCLUDED PARTS

(1) Grille
(1) Backing Plate
(1) Hardware Kit

REQUIRED TOOLS

Push Dart Tool
T-40 Socket
1/16" Allen Wrench
1/4" Socket
7/64" Drill Bit

Step 1: Remove (2) push darts holding the hood center piece on. Remove (2) push darts underneath the hood center piece.

Step 2: Remove (3) push darts on both front fenders.

Step 3: Unplug both low/high beam connectors, located underneath the hood.

Step 4: Remove (4) T-40 screws holding the front clip onto the vehicle. (2) are located in the front of the vehicle under the headlights. The other (2) are located underneath the car where the A-arms connect to the frame. Now remove the front clip.

Step 5: Install the backing plate to the grille. Use supplied hardware to fasten down.

Step 6: Cut out the OEM grill with an air attachment or cutters. File any rough edges and use some heat to de-bur. Leave the 1/2" trim piece in contact. You will need to mount the grille to the trim.

Step 7: Lay the grille into the front clip. With a 7/64" drill bit, drill through each hole and install supplied hardware. Use a 1/16" Allen wrench and 1/4" socket to fasten down. DO not over tighten.

Step 8: Reinstall the front clip with all hardware. Don't forget to reconnect the low/high beam connectors.

INSTALLATION INSTRUCTIONS

Thank you for choosing Evolution Powersports products. If you require further assistance, please call our Tech Support @ (715) 247-3862
