THIS IS A NOT A PREORDER,
WE WILL **NOT** TAKE ANY
PAYMENT

Terms and Conditions;

Due to Rundholz's manufacturing process, we cannot guarantee that we will receive every single piece we have ordered. Therefore, we cannot take any payment from customers until we have the piece physically in our possession. This is merely a first come first serve interest based system, where customers register their interest in a piece, and we then contact customers upon us receiving the piece. The customer can then purchase the piece. If multiple customers register their interest in a piece, we will contact the first one to have been registered, and if they do not purchase, the next person in the queue will have the opportunity to purchase. A customer can only register for one (1) size per piece. We cannot guarantee when a piece will arrive, our estimates do not include delays or transit issues.
