## Occupation Exploration Questions

Name: \_\_\_\_\_ Employer: \_\_\_\_\_

Position Title: \_\_\_\_\_ Degree(s)/Training: \_\_\_\_\_

What were the most valuable trainings/studies that prepared you for your current position?

What is the typical educational background needed for someone in this field?

What other personal and professional experiences brought you to this role?

What skills are the most important to have to do your job well?

How did you land this particular job?

Tell me about the primary responsibilities of someone in a position like this?

Describe a "typical" workday/week?

How much of your workday do you spend alone and how much with other people?

What do you enjoy the most about your work? The least?

What is the most challenging or difficult aspect of your position?

How long do people typically stay in a position such as yours?

Where do people typically go from here?

Would you still accept this job knowing what you know after working in the position?

What personal characteristics are important for people to have to succeed in this field?

What is the job growth for your position expected over the next five years?

Do you observe that most are satisfied with the compensation in this field? Range of salary?

If you had it to do all over again, would you still choose this career field? Why? Why not?

What advice would you give someone going into this field?

What professional organizations and publications do you belong or subscribe to?

Anything else you would like me to know?

Can you recommend other persons in your field to whom I could speak?
